City of Angeles  
SANGGUNIANG PANLUNGSOD  
15<sup>TH</sup> Council

RESOLUTION NO. 6071, S-2011  
(PR-28-02-11)

**RESOLUTION ENJOINING THE HONORABLE EDGARDO D. PAMINTUAN, CITY MAYOR TO EFFECT THE IMMEDIATE IMPLEMENTATION OF REPUBLIC ACT 9266 KNOWN AS THE "ARCHITECTURE ACT OF 2004" AND THE IMPLEMENTING RULES AND REGULATIONS OF THE REVISED NATIONAL BUILDING CODE OF 2005.**

Whereas, Republic Act No. 9266, "An Act providing for a more responsive and comprehensive regulation for the registration, licensing and practice of Architecture, repealing for the purpose Republic Act No. 545, as amended, otherwise known as "An Act to regulate the practice of Architecture in the Philippines," and for other purposes" was approved by Her Excellency President Gloria Macapagal-Arroyo on March 17, 2004 and has been in effect since April 10, 2004;

Whereas, RA 9266 briefly but strictly provides that the practice of Architecture shall be the exclusive domain of a licensed architect and not by any other professionals, and all architectural positions in the local government shall be filled up only by licensed architects;

Whereas, RA 9266 states that all architectural plans, documents and ancillary requirements for the approval of a local building permit shall be prepared and signed by Registered and Licensed Architects;

Whereas, there is a clear need to effect the soonest and nationwide implementation and enforcement of the provisions of RA 9266 and its IRR, particularly the multiple sections that limit the preparation, signing and dry sealing of all architectural plans, designs, specifications, drawings and architectural documents relative to the construction of a building/habitable structure, only to Registered and Licensed Architects.

Now therefore, be it resolved as it is hereby resolved by the Sangguniang Panlungsod of Angeles in session assembled that a resolution enjoining the Honorable Edgardo D. Pamintuan, City Mayor to effect the immediate implementation of Republic Act 9266 known as the "Architecture Act of 2004" and the implementing rules and regulations of the revised National Building Code of 2005 be, as it is hereby, approved.
