WHITE PLAINS, N.Y., June 19, 2017 – The USTA has announced that the Rancho Penasquitos Tennis Club is one of 12 winners in the 36th annual USTA Facility Awards program, which recognizes excellence in the construction and/or renovation of tennis facilities throughout the country. The Rancho Penasquitos Tennis Club will be honored at the Next Generation: A Tennis Innovation Workshop at the Renaissance Orlando at SeaWorld in Orlando, FL, Oct. 11-15.

The Rancho Penasquitos Tennis Club (RPTC) is located in the Natural Canyonside Park Preserve in San Diego. A 501C non-profit, the club has 12 lighted courts and an active membership. “Great tennis facilities like the Rancho Penasquitos Tennis Club help us to grow the game at the grass-roots level, and we are proud to recognize them for their ongoing impact on the sport of tennis,” said Kurt Kamperman, USTA Chief Executive Community Tennis and the USTA National Campus. “The Rancho Penasquitos Tennis Club has embraced many of our tennis initiatives and kept the sport at the forefront of its community each year.”

To be considered for an award, facilities must be under the jurisdiction of a park and recreation department, an educational institution, a nonprofit corporation or be a private or commercially owned and operated facility that offers both USTA and public programming designed to help grow tennis.

Facilities were judged on the following criteria: overall layout and adaptation to site; excellence of court surface and lights; ease of maintenance; accommodations for players, spectators and press/officials; aesthetics; graphics (including the use of signs and landscaping); amenities such as casual seating for spectators, food services and social areas; and the facilities’ participation in USTA programs.

Nominated facilities were voted on in the following categories: **Public Courts** that are either small tennis centers with 2-10 courts or large tennis centers with 11 or more courts; **Educational Institutions**; and **Private Facilities** that support the USTA and other “growth of the game” programs open to the public.

All 2017 award winners will receive a wall plaque and an all-weather sign, which can be mounted at the facility. Certificates of award will be made available to park and recreation departments, schools and those professionals responsible for the design,
