The 6th Sabah Oil and Gas Conference and Exhibition (SOGCE) was successfully organised on 10th and 11th April 2017 at the Magellan Sutera Resort, Kota Kinabalu, Sabah, Malaysian Borneo. The theme of the 6th SOGCE was “Opportunities and Growth in the Sabah Oil and Gas Industry – Harnessing Workforce Capability in Oil and Gas and HSE”.

The conference was attended by 120 delegates and Speakers from oil and gas companies and related industries.

- 90% rated the programme was very good and well organised
- 80% rated the overall structure was good and overall was excellent
- 74% rated the topics were relevant
- 78% rated the quality of materials was very good

Speakers for both plenary and panel discussions, their quality of papers and delivery style and relevance were rated in between good and very good. Delegates managed to get useful contacts, exchange of ideas, gather information and rated high on the timing of the conference, and that the conference fulfilled their objectives and the conference was of high value to them.

The rationales for attending the conference were rated high on networking and for personal growth and development as well as required by their respective companies. What was most beneficial to the delegates are the oil and gas industry updates, upstream and downstream opportunities, the view on Sabah workforce, leadership in safety and environment, networking with stakeholders and sharing session from industrial players.
