Chaos Assessment

Directions: answer yes or no to the following questions. Each yes is worth 10 points. Use the scale at the bottom of the page to identify your level of chaos awareness.

1. Have you ever made a decision that had an outcome you never thought possible?
2. Has fear of risk taking prevented you from doing something important in your life?
3. Have you ever wanted something, obtained it, and discovered you preferred something else?
4. Have you experienced a situation one way and learned someone else sees it a totally different way?
5. Have you ever had a crisis or conversion experience that changed your life in some significant way?
6. Have you experienced being in either the right or wrong place at the right or wrong time?
7. Have you ever just followed your instincts or your intuition?
8. Have you relied on information when making a decision only to discover later that it was incorrect?
9. Have you ever set a goal and discovered a better one along the way to the original goal?
10. Have things occurred in your life that you never thought would have been possible?

Score results:

- 0 to 30 points: life is calm, predicable and unchanging.
- 31 to 60 points: life is mostly calm, predicable, and unchanging
- 61 to 90 points: life is sometimes volatile, uncertain, complex and ambiguous
- 91 or above: you recognize that life is often volatile, uncertain, complex and ambiguous

- Your score: ________________
