National
Recovery Month
Practice What You Preach
September 2018

Dear Friend,

September is National Recovery Month! * It is a time to spread the message that **prevention works, treatment is effective, and people can and do recover!** Recovery Month is an opportunity to increase awareness and understanding of mental health and addiction, plus celebrate the people who recover!

MOAR invites you once again to help sponsor, plan, and/or participate in our 28th Recovery Month Celebration. Thank you for your support in years past. The **MOAR** mission is to organize recovering individuals, families, and friends into a collective voice to educate the public about the value of recovery from alcohol and other addictions.

Your face and voice are **MOAR** wanted and needed!

Join **MOAR** for **Our 28th Anniversary Celebrating Recovery Month**. Your sponsorship promotes the societal benefits of addiction prevention, treatment, and recovery! It lauds the contributions of treatment and service providers, and the message that recovery in all its forms is possible. Recovery Month spreads the word that addiction recovery is essential to overall health, prevention works, treatment is effective, people do recover.

You are mobilizing the **MOAR** Mission into Action

This day commemorates 28 years of Recovery Day Celebrations! It is a testament of **MOAR's** perseverance and most of all – your support! **MOAR** has been a long- time member of The SAMHSA *National Recovery Month* Planning Partners. **MOAR** had a vision of people in recovery celebrating the value of recovery. Today, we share this day with all those that have helped with past and present support to make this anniversary happen. We love the fact many are celebrating Recovery Month! We look forward to a time when celebrating recovery can mean that the devastation of overdoses is seldom experienced. Let's celebrate the hope of recovery today, tomorrow, and always!
