

Brightspace by D2L is SFA's learning management system. Totally and partially online courses are instructed from Brightspace. Instructors on the SFA campus also use Brightspace for course materials such as posting the course syllabus, lecture notes, and grades. To log in to Brightspace, read through the four steps below.

Step 1 - Open any browser (Mozilla Firefox, Google Chrome, Safari or Microsoft Edge and enter the D2L address: <http://d2l.sfasu.edu>

Step 2 – From the mySFA Username and Password page, log in using your **MySFA Username** and **Password**

Step 3 – The Brightspace **My Home**, is set up in two columns. The column on the left includes **News** and **My Courses** widgets. The **News** widget is specifically targeted toward your student role. In this case, you will see important News for students. The courses in which you are enrolled will be in a list under the **My Courses** widget. To gain access to a course, either click on the title from the My Courses widget or choose the course from the **Course Selector** which is to the left of the Email icon.

Click the Course Selector to see your active courses.

Step 4 - On the **Course Home**, you will notice the same two-column setup as on **My Home**. The navigation bar includes options, such as **Content**, **Course Tools** (Discussions, Dropbox, and Quizzes), **Communication Tools** and **Grades**. Remember, if you need help click on **My Home**, from the **Helpful Links** widget, click **Brightspace Tutorials for Students**.
