

**COSMEXCHANGE 2019  
PRELIMINARY SCIENTIFIC PROGRAMME**

**Thursday 14 February 2019**

15.00 - 15.30

**Registration**

15.30 - 16.00

**Congress Opening**

16.00 - 16.30

**Lecture 1**

*Chairs: Christopher Rowland Payne, Luigi Polla*

**Holistic approach for better clinical results: Facts or Myths?**

*Speaker TBA*

16.30 - 19.00

**Session 1**

**Top clinical cases: Presentation and interactive discussion**

*Experts + SuperModerator: Peter Bjerring, Agneta Troilius, Uwe Wollina / Leonardo Marini*

Scars

Pigmentation disorders

Vascular disorders

Volumization and Biostimulation

Skin tightening & Body reshaping

Skin inflammatory and Neoplastic disorders

Q&A

19.00 - 20.00

**Welcome Cocktail**

20.00 - 22.00

**Speakers Dinner**

**Friday 15 February 2019**

08.30 - 09.00

**Lecture 2**

*Chairs: Andreas Katzambas, Martino Neumann*

**Treating and Preventing Reactive Skin Hyperpigmentation**

*Woraphong Manuskiatti*

09.00 - 10.20

**Session 2**

**Tips & Tricks: Interactive Video Presentations**

*Chairs + SuperModerator : Luigi Polla / Leonardo Marini*

Innovative PDT

*Peter Bjerring*

Q&A

*Advanced vascular laser / IPL treatments*

*TBA*

Q&A

Depressed scars treatment options

*Paolo Bonan*

Q&A

Immediate and late post-operative skin care - the importance of proper dressing strategies

*TBA*

Q&A

**Coffee Break**

10.50 - 11.20

**Lecture 3**

*Chairs + SuperModerator: Ashraf Badawi, Peter Bjerring / Leonardo Marini*

**Nightmare complications: How to deal with them and get out without too much trouble**

*Speaker TBA*

11.20 - 13.00

## Session 3

### Complications: Early Identification / Prevention / Management

---

*Chairs + SuperModerator: Klaus Hofmann, Andreas Katsambas/ Leonardo Marini*

Intra-arterial filler injections

*Wolfgang Redka Swoboda*

Q&A

When the body responds differently: paradoxical hair growth - Reactive adypocyte hyperplasia

*Hans Laubach*

Q&A

Hypopigmentation and laser-induced leukoderma

*Ashraf Badawi*

Q&A

Scars and textural changes after Laser and EBD treatments

*Paolo Bonan*

Q&A

Nerve injuries after cosmetic and aesthetic procedures

*Uwe Wollina*

Q&A

13.00 - 14.00

### Lunch break

14.00 - 14.30

## Lecture 4

---

*Chairs + SuperModerator: Uwe Wollina, Hans Laubach, Hassan Galadari / Leonardo Marini*

### Advanced combination treatments: a step forward or just a gimmick?

*Speaker TBA*

14.30 - 18.00

## Session 4

### How to do it better? Advanced Tips & Tricks

---

*Chairs + Supermoderator: Luigi Polla, Oliver Kreyden, Ines Verner / Leonardo Marini*

BTX for Advanced Facial and Neck Treatments

*Anthony Benedetto*

Q&A

BTX for hyperhidrosis

*Oliver Ph. Kreyden*

Q&A

White hair laser-assisted removal

*Nicolas Rygaloff*

Q&A

Liquid rhynoplasty

*Dario Bertossi*

Q&A

15.50 - 16.20

### Coffee Break

Lichen Sclerosus laser treatment

*Cesar Arroyo*

Q&A

Cryolipolysis

*Hans Laubach*

Q&A

Hi-Fu facial - neck - and body tightening

*TBA*

Q&A

Facial treatments with fractional and conventional RF

*Ines Verner*

Q&A

Final discussion

19.30 - 22.30

### Get together Cocktail and Congress Dinner

---

08.30 - 09.00 **Lecture 5**

---

*Chairs: Uwe Wollina, Paolo Bonan, Hans Laubach*

**Lasers and EBD for Vulvo-Vaginal alterations: A journey through the most important achievements which contributed to revolutionize our current treatment approaches**

*Marco Gambacciani*

---

09.00 - 10.20 **Session 5**  
**What's New from the Industry?**  
**Innovative technologies and their possible applications**

---

*Chairs + SuperModerator: Klaus Hoffmann, Ines Verner / Leonardo Marini*

Advanced cellulitis treatment with Cellfina

*TBA*

Q&A

New hybrid laser platforms for more effective permanent hair reduction (PHR)

*Leonardo Marini*

Q&A

New visco-elastic volumizing and biostimulating HA fillers

*Hassan Galadari*

Q&A

Innovative sub-millisecond laser sources

*Klaus Hoffmann*

Q&A

---

10.20 - 10.50 **Coffee Break**

---

10.50 - 12.30 **Session 6**  
**What's new from the Medical World? Breakthrough innovative treatments**

---

*Chairs + SuperModerator: Oliver Kreyden, Peter Bjerring / Leonardo Marini*

Hair restoration and regeneration

*Pierre Bouhanna*

Q&A

Advanced tattoo removal

*Leonardo Marini*

Q&A

Low dose isotretinoin in Rosacea and Acne

*Andreas Katsambas*

Q&A

The many faces of Imiquimod in Dermatology

*Iris Zalaudek*

Q&A

Boulinum toxin: Non classical indications

*TBA*

Q&A

---

12.30 - 13.00 **Conclusions and take home messages**

---

*SuperModerator + 2 speakers: Leonardo Marini, Hans Laubach, Ali Pirayesh*

13.00 **Congress Closure**
