

A NEW CREATION

I am writing this because I know that there are a lot of people out there who are confused about their GENDER!! Well, I must say I was too, at one time in my life. At the very young age of 18, I started to see a lot of confusion in my thinking. Needless to say, I was very stubborn and did not really care what God or anyone else thought about what I wanted in life. I just wanted this CONFUSION to go away!! I started to live as woman at 19 years old, later on I had breast implants; I had a great stripping job. But I became very depressed, I started doing lots of drugs... at one time I tried to kill myself...never really knowing that God had a plan for my life. I just wanted this confusion to go... But one day, years later, **God's Holy Spirit came to me and spoke words of truth to me concerning how I was living. He said to me, "Honey this isn't you!! This is what the devil has done to you."** And yes, Jesus Christ set me free from all the confusion in my mind.

He also took all the drugs away, and I am living back as a man the way God created me. I have gone through a school of ministry and am now writing a book for the Lord!!!! Please, if you are having problems with the way you see yourself, **get God involved; only He can give you a sound mind.**

He loves you and wants to help. *Jeremy*
