Four easy steps to WALK FOR *Life*

Step 1 Register Today and Get Your Free T-Shirt!

- Complete the form at the bottom of this page.
- Tear it off, hand it in at your church's walk table and pick up your colorful T-shirt!
- Or, put it in an envelope and mail it to Texans for Life, 5616 Forest Bend Drive; Arlington, Texas 76017. We will send your shirt in the mail.

Step 2 Get Sponsors!

- Ask your friends, family and co-workers to sponsor you. Each pledge is an important step in helping to save the life of a baby.
- Ten sponsors at just \$10.00 each means you just helped raise \$100.00 to save the lives of unborn babies.
- You don't have to collect any pledges. We will bill your sponsors.
- Sponsors can prepay by giving you cash or check, or by paying online at texlife.org.

Step 3 Turn in Your Sponsor Form(s)!

- You can turn in your form(s) at one of the walk sites on May 12 (North Texas) & May 19 (Central Texas). See back page.
- Or, you can mail your sponsor forms to the Texans for Life office.

Step 4 Walk Two Easy Miles on "Walk Day"!

- Join us for fun and fellowship as we take a short walk for the babies.
- See back page for more information about dates, times and locations in your area.

Why have a walk?

27 Years of "Walking the Walk"

With Life hanging in the balance, the Walk for Life is your opportunity to fight back! Abortion advocates are emboldened in their war on the unborn and continue

to fight to push their sexual chaos in our schools and culture. We depend on your help to be able to fight for women and babies.

When you "Walk the Walk," you are partnering with Texans for Life by:

- Effectively advocating for education that changes hearts and enables life-saving legislation, like the Sonogram Bill, HB 2, and last year's SB 8, which ended Partial Birth Abortion and Planned Parenthood's gruesome sale of baby body parts;
- Taking aim at the heart of abortion by encouraging young people to wait for marriage; and,
- Promoting life through record-setting rallies, speeches, workshops, newsletters and the web—alerting and educating churches, pastors, college students and grassroots activists, enabling them to better protect women and babies.

.....
Tear off this form, fill out the other side and mail it to Texans for Life, or turn it in at your church.

What others are saying about us:

"In a state as pro-life as Texas, it is important to have pro-life organizations with the relationships and strategic skills to advance meaningful pro-life legislation. I am grateful to have a strong partnership with TLC in providing leadership that promotes both a culture of life and a culture of civility in Texas."
