We ask that you take all used clothing and furniture to organizations such as Christmas Charities (837-2373), Salvation Army Thrift Store (533-7223), and the Rescue Mission Thrift Store (532-0381); all of whom allow CSNA clients to utilize their resources without costs. We are very grateful for the gifts we receive and recognize that we couldn't provide for our many clients without help from our community.

**If you would like to donate, please contact our Administrative Office.
