What's Happening in Room 6

Kia ora koutou from Room 6. This term we have been busy learning about our inquiry topic Ko wai tātou? Our family trees have now been completed and we are beginning to learn our pepeha which we will present in class and video for our parents. We are also creating a piece of koru art representing our family. This has led us to asking our grandparents and great grandparents questions about their school life so that we can compare our past with present.

We have also been having fun building robots from square tiles as part of our fraction learning and can now confidently explain quarters.
