'Ako' - to learn

**Dear Parents / Caregivers,**

Roll: 301

Well done to all our tamariki for their efforts in cleaning up parts of our town last week during Clean Up NZ Week. This community action fitted well with our school-wide inquiry this term with regard to how we interact and look after our environment.

On Monday we said goodbye to Teresa and Harold from the Life Education Trust. It was great having them and their amazing Life Ed van here for the week helping students learn about making healthy life choices.

This week is Photos Week. Early next term, packs will be sent home with class, individual and family options to order.

Next Tuesday our Year 7's head off to Stewart Island for their four day camp. Thank you in advance to all the camp parents going along, supporting our teachers and students and making it a memorable Year 7 camp in a beautiful part of our world.

Pet Day is just around the corner (Friday 2 November). To help plan for a successful day, the committee need to know how many different types of pets and projects will be coming along to school. If you haven't done so already, please get your family's Pet Day Count Form in to the office by this Friday. Thank you.

Finally, on behalf of our learning community, I would like to wish Debbie Riley all the best as she begins her Maternity Leave today.

**What's Happening in Room 9**

Kia Ora Koutou. Room 9 have been super busy learning how to reduce waste in our environment. Our recycled projects using materials from home were very innovative. Keep an eye out for the bird feeders we created in the trees around our school. We are all very excited about learning some First Aide tips today. We will all know what to do in the event of an emergency. We all enjoyed cleaning up our community last week. Unfortunately we found lots of rubbish! We were very excited to see Harold last week. We learnt how to be more resilient and how to deal with stress in our daily lives.
