Dear Parents / Caregivers,

Roll: 288

First of all, well done to all the students who took part in last Friday's Central Zone Cross Country event in Dipton. Winton School was well represented with some fantastic efforts and results. Congratulations to the 17 students who will be competing at the Southland event next Friday at Waimumu.

I would like to thank everyone for making alternative arrangements for your children last Thursday. Teaching staff spent the day in Dunedin engaged in some fantastic professional development that will support us in strengthening our teaching and learning programmes here at Winton School. Staff are certainly excited about our next steps.

On behalf of our learning community, I would like to say a huge thank you to our PTA. We are regularly getting at least 15 people come along to the monthly meetings to discuss different fundraising ideas and make decisions about how to best support Winton School students. Recently the PTA have funded the Year 8 National Young Leaders Day in Dunedin, contributed \$50 per student for upcoming senior camps, organised a Food Fundraiser and helped out at last week's discos. They are also currently working on other fundraising initiatives and events which, in turn, helps to fund or subsidise different opportunities and resources for all of our students. It is great having such an active PTA working hard behind the scenes! Thank you.

Steve Wadsworth,
PRINCIPAL

**Zebra Crossing**

Could all parents **please** use the crossing when you are dropping off and collecting your children from school. Children learn from the actions of adults and their peers, so if we all get into the habit of using the crossing, it can only benefit and ensure the safety of our children.

What's Happening in Room 10

A big Kia Ora from Room 10! We have had a very busy start to the term. The students have been working really hard on their 'Oat the Goat' writing over the last two weeks and have produced some incredible descriptive recounts. During inquiry, we were lucky enough to have two guest speakers from Poland who talked to us about their community. We also had a local community member, John McHugh who came and talked to us about the history of Winton. We are now delving deeper with our inquiry where the students will be researching and looking into their own family history.
