### Dear Parents / Caregivers,

Roll: 284

This week all classes have all been working with Constable Herrick on pedestrian and bike safety. With so many of our students, walking, scooting or biking to school and with so many cars around, we can never remind our students enough about being responsible and safe on or beside our busy roads. Unfortunately, we still hear and even see on occasion, students not respecting our road rules. It is up to all students to think about the messages they have heard this week and apply them when using our roads. Parents, we appreciate your support with this.

Next week both the Junior and Senior Cross Country's will be taking place. With plenty of practice being put in, we're sure all students will feel proud of their efforts and accomplishments. Notices about these events were sent home last week.

We are now up and running with Seesaw, our on-line digital portfolio. Teachers and students have been sharing some wonderful work with home and it is great to see that plenty of positive feedback has been sent back to school. Seesaw is how we will be, on a regular basis, sharing student's work to keep parents informed of the learning that is happening at school. This replaces the portfolio that was sent home once per term. Personal letters were sent to all households. If you haven't yet joined up, we encourage you to do so, so we can quickly and effectively share your child's learning with you.

Room 8 has had a busy start to Term 2. We began the term running...literally!! We are hard at work training 4 times a week for the Senior Cross Country at Browns on the 25th May. This term we have chosen an animal to create a report about for writing. We need to use a specific plan and have to find out all about our chosen animal before presenting our information in a booklet. Our Inquiry this term is Ko wai tatou? Who are we? As part of our homework we are finding out about our families and competing a family tree. We will also be completing some koru artwork over the next couple of weeks and learn our pepeha. We look forward to seeing you visit Room 8 to see our great learning.
