

Adoptable kitties through

*Love a Paw.org*

Jazzy was born in 2006. He is diabetic but well-regulated with insulin shots twice a day. He is very talkative, friendly and smart, and he will jump up on the table to get his insulin shots.

Tom catches some rays in the cat run at LoveaPaw.

Tessie and her sister Tallie are healthy 11 year-olds who would love to be a part of your family!

This is a good hair day, says adoptable Sylvie.
