Friday 19th October 2018

Dear Parents/Caregivers,

I hope you have all had a refreshing holiday break. We are all excited for term 4 and we have an action packed 9 week term to end the year.

We have settled back into routine this week and I look forward to seeing great things from everyone throughout the last term. We begin Swimming in week two and have 10 sessions. It is important that the students are prepared and come to school with togs, a towel and goggles. Make sure you check the dates for swimming on the note sent home on Monday and also on Seesaw.

Thank you to everyone who is involved with SeeSaw. The students really enjoy reading your comments and positive feedback and it is a great way to create home/school connections. I will continue to post important notices on SeeSaw, so please keep checking this.

Our focus for the term will be:

- Science- Living world. How does human activity impact on our environment?
- Spelling: Wordlab programme
- Maths: Patterns (algebra)
- Strand maths with Mr Tucker every Friday
- Guided reading and instructional writing programme
- Te Reo integrated into our everyday learning
- PE: Swimming and small ball skills

Useful information:

- Library day is every Monday.
- Homework has changed, it is sent home every Monday and due every second Friday morning. There will be a total of 4 coupons to earn this term. There will be no homework in the last week of the term. Projects or reminders for homework will also be posted on Seesaw.
- Heat ups must be clearly labelled with your child's name and room number.
- Pet Day is on Friday the 2nd of November and Pet Day Prep Day is the day before during school time. There will be more information to follow.
- School Disco is on the 23rd of November.
- Book Fair is in on the week of the 26th of November.
- Inter-House Challenge is on the 7th of December.
- End of year reports will be sent out in Week 9.
- Prizegiving Assembly is Tuesday the 11th of December.
- Our annual school water fight is on the 12th of December.

Please do not hesitate to contact me at any time or to visit our classroom. We can not wait to show off all of the wonderful tasks that we have completed in Room 10 during term 4.

Yours Sincerely,

Georgia Holt
