WELCOME TO ALL COMPETITORS

On behalf of the Reining Australia Board members, please let me welcome you all to the 2017 Continental Affiliate Championships here at Tamworth.

First and foremost a big shout out to all of our valued sponsors for this year's show; without your support none of this would be possible

This year sees our first two-handed Snaffle Bit Futurity held at the National show. This event has been heavily sponsored by Ed Smith Reining and Performance Horses from Calliope in Queensland.

The Stallion Alley is here again and being supported by studs from all around the world, so please take the time and check out some of these well-presented horses.

This year's nominations have increased from last year and promise to fill the show with some very memorable runs. The plan is to run smoothly through the days and allow us time after dark to catch up with friends again.

Good luck to all competitors and teams throughout the show. If you get the opportunity to thank a sponsor please do so, and most importantly stay safe and have fun.

Warmest Regards,

Paul Sharp

President

because breeding doesn't have to be difficult

Too busy? Too tired? Too difficult?

Everyone has a busy life these days and it's not always an easy task to organise the breeding of your stallions and mares.

At Xtreme Genes we pride ourselves in our ability to make life easier for you when it comes to breeding foals in Australia.

Our Management Service is for stallion owners AND mare owners and removes the many hours and contacts required to manage the breeding experience.

If needed, we can co-ordinate the importation of semen from overseas.

TheraPlate - Equine

TheraPlate is a unique patented technology that uses Zone Vortex Wave therapy. The TheraPlate has been designed by experts and is the result of more than 30 years of experience. This technology can be used in the treatment and prevention of injuries and other debilitating conditions in Horses. Our machines offers a ZERO impact experience, so you get the benefits without further injury or aggravating existing conditions.

TheraPlate utilizes a low-amplitude orbital motion, relaxing the tissues while enhancing muscle tone and increasing circulation treating many soft-tissue injuries, promoting better hoof growth and increasing bone density.

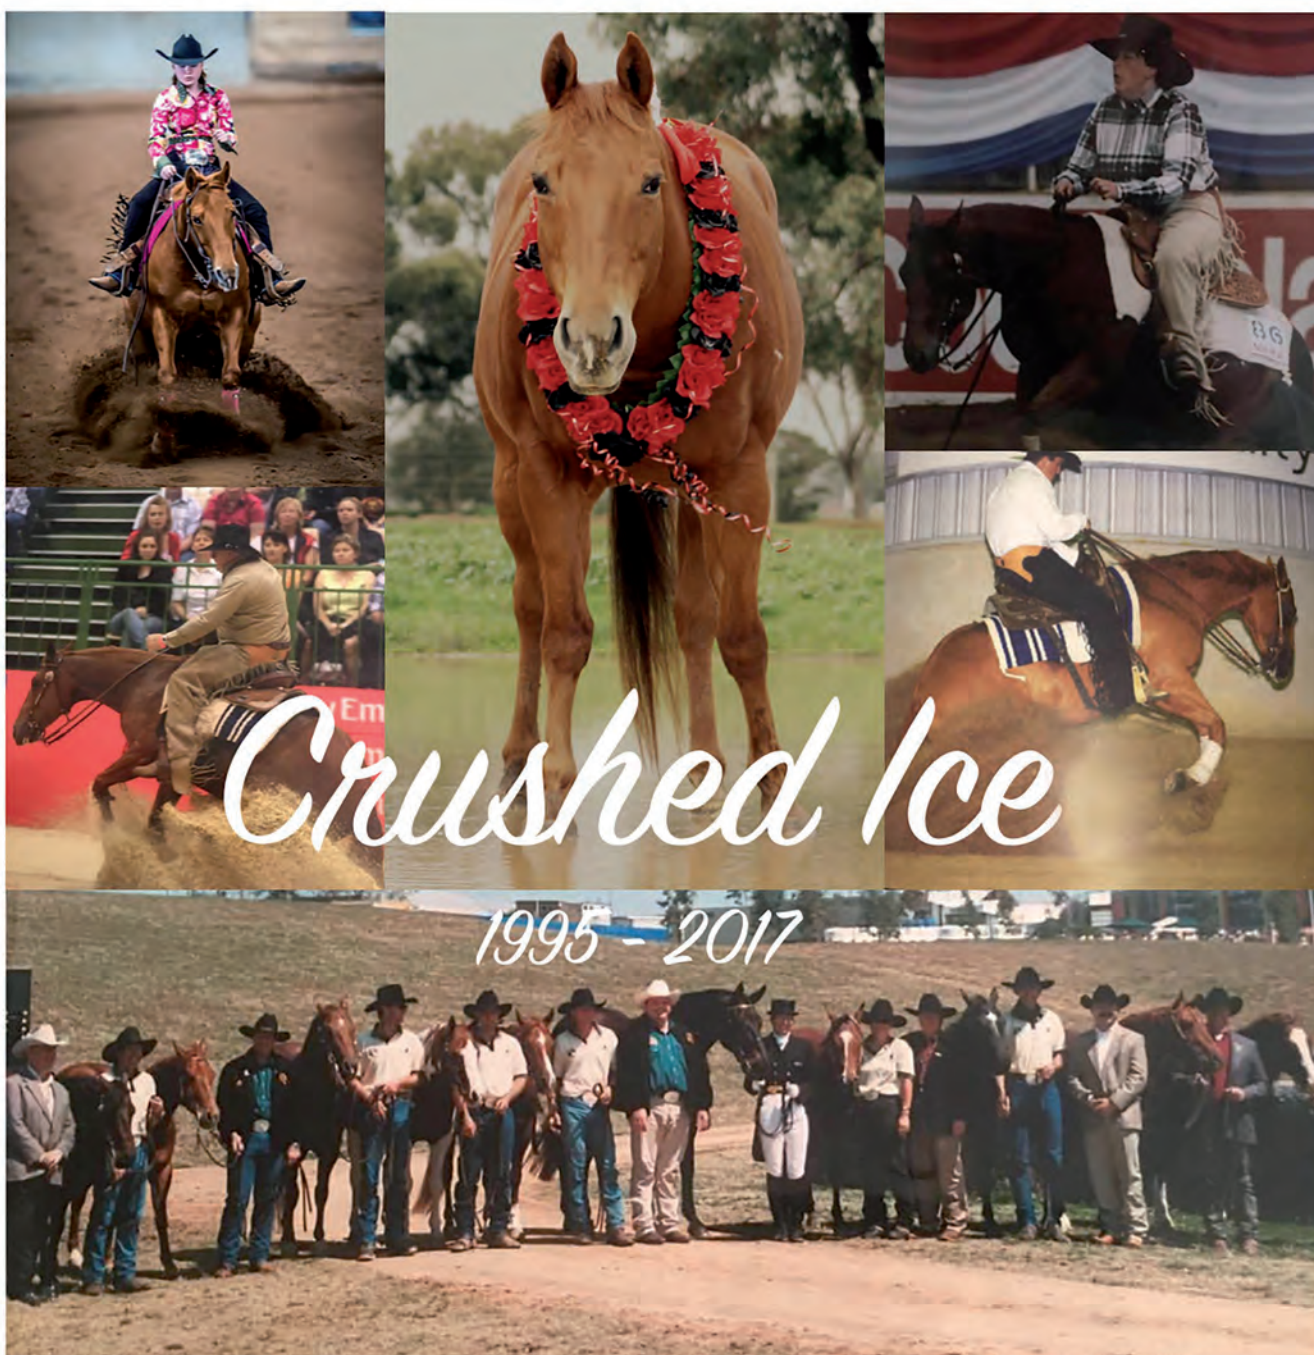

Theraplate Revolution is the Official Therapy Plate of the United States Equestrian Federation

Trial Rentals are available call Mark 0417 979 468 or email : info@theraplateaustralia.com

Visit our website to view our products, videos and pictures and learn how the TheraPlate can benefit your horses health and performance by providing a world class rehabilitation platform.
