Teacher List

Welcome to the BSI's list of registered Suzuki teachers. All the teachers listed here have trained with the BSI or with another accredited Suzuki body and they are current BSI members, so you can be assured that your child will be receiving an ESA (European Suzuki Association) accredited Suzuki education. There are currently UK Suzuki teachers for violin, viola, recorder, piano, flute, double bass and cello, in addition to Suzuki Early Childhood Education (SECE).

Teaching in the UK is done on a private basis - please contact individual teachers for lesson times and fees. Most children will receive a weekly individual lesson and regular group sessions. Some teachers run group sessions among their own pupils, others join with other local Suzuki teachers to form larger and more organised Suzuki groups. 'LSG' stands for the London Suzuki Group, a large membership organisation for London-based Suzuki teachers and families.

Please note that if there is no telephone number or email address listed for a teacher, the BSI is unable to give out these details to the public - we are only able to publish or pass on the details specified by individual teachers.

The list is sorted by instrument then region, town/county, postcode and surname. We would advise that you check through the whole region, or neighbouring regions if you live on a border, to ensure that you don't miss a teacher living or working in your area. You should be able to use the 'Find' facility at the top of your PDF window to search for a key name or location.

The figures in the right-hand column indicate the level of training that the teacher has reached, 5 being the highest. 'Mats' indicates that the teacher graduated in Matsumoto, Japan, while an asterisk indicates post-graduate study in Matsumoto. Other letters after the level number indicate the country in which the teacher trained. The minimum requirement for staying on the BSI teachers' list is two years' training (preferably continuous) and Level 2. A break of three to five years is allowable, depending on individual circumstances.
