Rolling Out the HR Strategic Plan: HR Analytics and Scorecard to the Rescue

Wednesday, January 24, 2018

9 am - noon

Kahanoff Centre, #200, 105 - 12 Ave. SE Calgary, AB

HR metrics and workforce analytics help organizations identify strengths and weaknesses, areas for improvement, and opportunities for growth. With today's workplace spanning multiple generations, and the focus on emerging required skills, HR metrics are rapidly evolving. More emphasis is also being given to the role of data collection for managerial decision making. Join Janet Salopek to navigate how to align HR analytics with your business strategies and organizational goals. You will also discuss how HR metrics and workforce analytics improve bottom line results.

HR in a Box workshops are hands on, with an emphasis on group discussion and case studies. Each session provides opportunities to share ideas, work together on strategies, develop practical solutions to real issues, and take away tips and tools to implement at your workplace. Some sessions may involve pre-reading.
