

Furry Friends Wish List

Thank you for going out into the community and collecting Wish List items from family, neighbors, co-workers, friends, etc. to earn your community service hours needed for school or court AND to help the animals residing at Furry Friends. It is your responsibility to get approval of this program, in advance, from your school or the court. The purpose of the program is for you to spread the word about Furry Friends' mission while earning your hours... a win-win! The letter Furry Friends provides to you for your efforts specifically details that you have collected items in exchange for community service hours.

Your items may be delivered to our Jupiter Adoption Center during open hours, Monday – Saturday, 11am-6pm.
