

Staff Meal (\ 'staf\ \'mē\):

A family meal or staff meal is a group meal that a restaurant serves its staff outside of peak business hours. Typically the meal is served to the entire staff at once, with all staff being treated equally, like a "family". The restaurant's own chefs prepare the meal, often using leftover or unused ingredients.

Breakfast

*over easy egg, turnip tops, potato skins & scraps,
gouchujang ketchup*
