

# Montclair Property Owners Association

## Boat Registration

October 2018-September 2019

Boat stickers are mandatory for all boats operating on Lake Montclair, which includes boats stored on MPOA common property and all sub-association common property. All boats will register annually in October at the MPOA office and display two boat stickers: an annual sticker displaying the year, and an MPOA registration number sticker. Both stickers should be displayed on the port side of the bow. All boats must be operated in accordance with federal, state, and local requirements, including but not limited to loading, life preservers, and other safety equipment. Boats stored at West Beach must pay an annual \$25 fee for each boat. Boats not registered by November 10 will be subject to a \$15 late fee.

MPOA prohibits gas engines to be operated on Lake Montclair. Installed engines must be tilted out of the water. No boat with a gas tank may be used, stored, docked, moored or fueled on the lake.
