## ARTICLE 4 POLICIES REGARDING RECREATIONAL FACILITIES

**4.1 General.** Montclair is a unique community made special by our recreation facilities. To ensure that everyone in the community has an equal opportunity to benefit from these facilities, the Montclair Property Owners Association Board of Directors has adopted the following policies regarding use of the commonly held recreational facilities. These policies are in accordance with Article 6.2 of the *Amended Declaration of Montclair*.

**4.1.1 Operating Responsibility.** The MPOA Board of Directors delegates the operating responsibility of the MPOA recreation facilities to the Managing Agent. The Managing Agent has been authorized to impose sanctions against persons who disregard MPOA recreation rules, regulations, and policies. Except for nonpayment of assessments, sanctions may include withdrawal of recreation privileges of said violators up to a maximum of 30 days for each offense or violation. For nonpayment of assessments, privileges may be withheld for as long as the owner is in default. The imposition of sanctions may be appealed to the Board of Directors. The Board may impose charges or file a legal action to recover sums due for damages to recreation facilities or equipment or seek injunctive relief.

**4.1.2 Recreation Photo IDs.**

- a. To control insurance costs and to ensure that the facilities are available to those who pay for them, MPOA requires that Members display valid Montclair Recreation Photo IDs (RPIDs) to use the facilities. After payment of the annual or appropriate monthly MPOA assessment, RPIDs and annual stickers may be obtained at the MPOA office. Members paying monthly installments may obtain RPIDs and annual stickers through the tenth of the month if the owner's assessment account is current through the end of the previous month. Each resident property owner or renter will be required to show a recognized form of identification showing name and current address within Montclair before a RPID or sticker will be issued. For resident property owners, identification shall be in the form of a driver's license showing name and current address or a utility bill showing name and current address within the community. For renters, identification shall be in the form of a utility bill showing name and current address within the community. Residents 18 years of age or older residing with a property owner or renter must be listed on the RPID form completed by the eligible property owner or renter, and must provide the required identification. Non-resident Property Owners are only authorized to receive RPIDs for one household. They may only obtain RPIDs for their Non-resident household or their renters, but not both. Notification of the exact dates RPIDs and stickers may be obtained will be made in the *Montclairion* and on the community bulletin boards.
- b. Residents with valid ID who have misplaced their RPID may receive a one-day pass to recreational facilities by visiting the MPOA office. This privilege may be extended three times within one calendar year.
- c. There are two three types of RPIDs: unrestricted, and restricted, and Additional Guests. Children 11 and younger are only required to have a RPID if they are not accompanied by a resident with an unrestricted RPID. Unrestricted RPIDs will be issued to residents 12 and older. To increase the safety of our youth, children eleven years and younger may be issued a restricted RPID and are permitted to use the Montclair beaches only with a person 16 years of age or older. Children younger than 9 must be accompanied by a person 16 or older at all recreation areas. Children 9 to 11 years old may utilize Kids' Dominion and Hockersmith Park without supervision. Accounts with only one Unrestricted RPID can be issued an Additional Guests RPID that allows up to four additional guests, except for Community Events, where two additional guests are allowed.

**4.1.3 Guests.**

- a. Except for Montclair Community Events (i.e. e.g.: Montclair Day, Fourth of July, Oktoberfest, etc.), persons displaying a valid unrestricted Montclair Recreation Photo ID (RPID) may be accompanied by up to four guests (eight guests per any single-owner/member household). For Community Events, a maximum of two guests per unrestricted RPID (four per single-owner/member household) are allowed. In all cases, guests are the responsibility of the sponsor.
- b. Persons displaying a restricted RPID may bring a single guest age 16 or older as a caregiver, who is solely responsible for the child.
- c. Children ages 11 years and under must be accompanied by a person 16 years or older (except valid restricted RPID holders ages 9 through 11 at Kids' Dominion and Hockersmith Park) and are not considered guests.
- d. Members in good standing may sponsor additional guests at Montclair Recreational Facilities on an occasional basis in the event that the number of the Member's personal guests exceeds the household unrestricted RPID authorizations (four per RPID; eight per RPID for single-owner/member households). In such cases, additional guests must be sponsored by the owner and may not exceed 10 total guests per household. Owners requesting additional guests must complete and submit an MPOA Guest Pass Authorization Form to the MPOA office which shall be approved upon verification that the member is in good standing. The Guest Pass Authorization Form must list the names and ages of all additional guests and the specific dates of the proposed visit. Such Guest Passes may not exceed any two consecutive week period. A copy of the Guest Pass shall be provided to the Owner who must accompany the guests and provide the Guest Pass to the Recreation Guards for entry into the Montclair Recreation Facilities.

- 4.1.4 **Replacement of Recreation Photo IDs.** Recreation Photo IDs (RPIDs) are expected to last five years. Within four years after issue, a RPID will be replaced upon payment of \$10. After four years, there is no charge for a replacement RPID.
- 4.1.5 **Beverages.** Only non-glass containers are permissible at MPOA recreational facilities. Alcoholic beverages may only be consumed at the MPOA recreational facilities during officially sanctioned MPOA events:
1. Where beverages are sold by MPOA or an MPOA vendor under an ABC Banquet License; Members may bring their own beverages to these events; or
  2. During events where MPOA expressly allows Members to bring their own alcoholic beverages on MPOA recreation facilities.
- 4.1.6 **Tobacco.** The use of Tobacco on MPOA Common Area is restricted to parking area, except during scheduled Community Events, when a smaller area will be indicated as the designated tobacco use area.
- 4.1.7 **Pets.** Pets are not allowed at any MPOA recreation facility from the weekend preceding Memorial Day through the weekend following Labor Day  
Pets are not permitted inside Kid's Dominion at any time. Pets that are leashed may be placed immediately aboard boats launched at West Beach only. These restrictions do not apply to service animals or to pets crossing an area when walked by a person displaying a valid Montclair Recreation Photo ID. County "Pooper Scooper" law requires that you clean up after your pet.
- 4.1.8 **Fires.** Residents must confine fires to grills in picnic areas only. The Managing Agent may permit campfires, which are an integral part of programs for organizations such as scouting. This will be noted on the Special Permit issued by the MPOA Office.
- 4.1.9 **Noise Control.** It is recognized that recreational areas are naturally noisy. Talking, laughing, and good time sounds are expected. Yelling and screaming should be curtailed in the interest of being able to hear valid calls for "help." Radios, tapes, etc., should be set at reasonable volume levels. The use of whistles and horns at the beaches is prohibited except by lifeguards, recreation guards, and MPOA Security. The use of loud or abusive language in any way is prohibited. Excessive or prolonged noise and the use of loud or abusive language in other MPOA common areas are also prohibited.
- 4.1.10 **Parking Lots.** Parking lots for recreational facilities are available to drivers with a valid Montclair Recreation Photo ID. Drivers will follow the requirements of Section 5.9, Vehicle Parking Regulations, of the *Community Guidelines*. At no time shall parked vehicles block driveways or routes for emergency vehicles. During the Off Season (after Labor Day until Memorial Day weekend) beach parking lots will open at 7:30 a.m. and will lock at 3:30 p.m., Monday through Friday (except holidays) and will be locked through the entire weekend. Vehicles left in the parking lots after 3:30 p.m. may be retrieved the next business day at 7:30 a.m. During the Beach Season (Memorial Day weekend through Labor Day weekend), beach parking lots will open daily at 7:00 a.m. and will be locked at 7:30 p.m. each evening. Vehicles parked at other times are subject to being towed, as permitted by state or local law and the *Community Guidelines* at the owner's expense.
- 4.1.11 **Possession and Use of Firearms and Weapons is Expressly Prohibited.** The possession, use, and/or brandishment of firearms, weapons, B-B guns, bows and arrows, slingshots of any type, and any device designed to expel a projectile, such as paintball guns, on, within, and/or into common property is expressly prohibited. In addition to the possible suspension of privileges and the imposition of charges for violations of this regulation, referrals will be made to the Prince William County Police in appropriate cases. Members meeting Virginia state requirements for concealed carry of a firearm are allowed to exercise those rights without regard to this guideline.
- 4.1.12 **Restrictions on the Use of Motorized Vehicles.** The operation of any type of Vehicle or Device powered by a gas engine, including but not limited to moped and motorcycles, on or within the boundaries of any recreational facility or on or within any common area, except roadways and designated parking areas, is expressly prohibited, except for authorized vehicles. In addition to the possible suspension of privileges and the imposition of charges for violations of this regulation, referrals will be made to the Prince William County in appropriate cases.
- 4.1.13 **Community Event Volunteer Policy.**
- a. Volunteers must be 12 years of age or older to volunteer at Montclair Community Events. If operating equipment (popcorn machine, funnel cake machine, grill, fryer, etc.) volunteers must be 18 years of age or older.
  - b. Those under 12 may volunteer with a parent or guardian 16 years of age or older.

#### 4.1.13 Community Event Volunteer Policy (continued).

- c. Guests may volunteer with a Montclair resident. Limit one guest volunteer per resident. Guests are the responsibility of the sponsor.
- d. Students may earn community service hours for their volunteer service. Contact the Events Manger to sign off on the hours.

## 4.2 Beaches.

4.2.1 General. Each of the three (3) beaches (Dolphin, West, and Beaver Landing) will open on or about Memorial Day weekend and close on or about Labor Day weekend. The exact dates will be published in the *Montclairion* and posted on the community bulletin boards and MPOA website. Grooming of the beaches will take place during the hours of 8 a.m. to 11 a.m. daily. Persons on the beaches prior to 11 a.m. are asked to stay clear of equipment during grooming operations. Swimming at the beaches is restricted to within the roped areas. Swimming off of the board walks or docks at all beach recreation areas is prohibited at all times. Diving is prohibited at all times from all platforms, boardwalks, and docks at all beaches. There is a 15-minute period each hour for adult swim time. All bathers under 18 years of age will be required to leave the water. Swimmers at Montclair beaches may use personal flotation devices less than six feet in length. Flotation devices will be used in a manner consistent with safety, as determined by lifeguards on duty. Swimming at beaches when lifeguards are not on duty is at the sole risk of the individual swimmer. The Association assumes no liability for use of the beaches when lifeguards are not on duty. Persons found at the beaches after dusk and prior to 6 a.m. are subject to eviction and/or arrest for trespassing (except for West Beach boat launching—see paragraph 4.3.2). Notwithstanding the posted hours, the Managing Agent may close the beaches because of weather conditions, emergency situations, or other extenuating circumstances. The lifeguards or recreation guards may also require people to leave the water for safety considerations. Feeding the geese at any of the three beaches is prohibited.

#### 4.2.2 Authorized Users.

- a. Holders of restricted Recreation Photo IDs (RPIDs) must be accompanied by a person 16 years of age or older. Restricted RPID holders may bring a single guest 16 years or older that is their caregiver. That person is solely responsible for the child.
- b. Holders of unrestricted RPIDs are permitted to use the beaches without supervision. Residents with an unrestricted RPID may bring up to four guests age 12 and older for whom they are responsible, except at Montclair community events, when the limit is two guests.

4.2.3 Lifeguards. Lifeguards are provided for the safety of our swimmers. Lifeguards' instructions are to be obeyed while they are on duty. Swimmers are not to gather at the lifeguard stands and are not to distract them from their primary duty. Persons interfering with the lifeguards' duties or disregarding their requests will be referred to the MPOA recreation guard or other Security personnel. Sanctions, including suspension of the use of the beaches, may be imposed by the Managing Agent.

4.2.4 Recreation Guards. Recreation guards will be hired by the Managing Agent and are empowered to enforce all MPOA rules and regulations. In no event shall the Association be liable to any person for the violation by others of any covenant, rule, or regulation.

4.2.5 Sporting Activities. Sporting activities on the beaches are restricted to designated areas. Participation in sporting events at Montclair recreation facilities require the display of proper Montclair Recreation Photo ID and compliance with guest rules. Participation is at the person's own risk.

4.2.6 Other Activities. The MPOA beaches and common area are for recreational use. Reservations or use of the picnic areas on behalf of outside groups or organizations is not allowed without prior approval of the Board of Directors.

4.3 Lake Montclair. Lake Montclair is privately owned by the Montclair Property Owners Association. MPOA grants property owners and residents the privilege to use it as a community recreation facility. Persons displaying valid Montclair Recreation Photo IDs and their children and guests may use Lake Montclair. Unauthorized persons are subject to eviction and/or arrest.

4.3.1 Winter Use of Lake Montclair. All persons, including residents and/or guests, are prohibited from entering or going upon any frozen portion of Lake Montclair. In particular, and without limitation, no ice-related recreation or activity is permitted on Lake Montclair. Any person found in violation of this rule may be prosecuted for trespass in addition to any other sanction that may be imposed by MPOA. The Association shall have no responsibility or liability for injury, death or damage resulting from a violation of this prohibition.

- 4.3.2 **Swimming and Diving.** The only authorized swimming areas at Lake Montclair are the roped-in areas at Dolphin Beach, West Beach, and Beaver Landing. Swimming in any other area is at the sole risk of the individual swimmer. Swimming at the Montclair beaches when lifeguards are not on duty is at the sole risk of the individual swimmer. Swimmers may use personal flotation devices less than 6 feet in length or diameter. The Association assumes no responsibility or liability for the actions of those individuals swimming in other than the roped-in swimming areas at MPOA's beaches. Diving is prohibited at all times and locations on Lake Montclair. Swimming off of the boardwalks or docks at all beach reservation areas is prohibited at all times.
- 4.3.3 **Recreation Equipment.** The use of inflatable docks, islands, trampolines, swimming or diving platforms, or other floating or anchored recreational apparatus (excluding boats) anywhere on Lake Montclair is prohibited.
- 4.3.4 **Fishing.**
- a. Fishing is available to persons displaying a valid Montclair Recreation Photo ID and their children and guests. All persons will identify themselves when requested by Staff of the Managing Agent. Failure to do so will subject a person to eviction and/or arrest. Fishing is authorized from boats or the lake shoreline but not within the swimming area (roped-in area) of the beaches. The Association assumes no responsibility or liability for persons fishing at Lake Montclair. All persons fishing in Lake Montclair must also comply with licensing requirements of the Virginia Department of Game and Inland Fisheries.
  - b. Fishing is permitted from community docks and most MPOA common areas that abut the shoreline. The shoreline that abuts private lake- front property and the docks of lake-front property owners may only be used by or with the permission of the property owner. If in doubt, residents should check with the MPOA Office. Fishing from the dam is not authorized. The concrete platform which houses the dam gate control is strictly off limits. Persons found at that location will be subject to arrest.
  - c. Triploid Carp are protected species in Lake Montclair and cannot be hunted, killed, or removed from the lake.

#### 4.3.5 Boating on Lake Montclair.

- a. All boats regularly used on Lake Montclair shall display a current MPOA registration. Canoes, kayaks, and paddle boards that are rented, borrowed or owned by authorized guests may be used on an infrequent basis without MPOA registration when accompanied by a valid MPOA Recreation Photo ID. All boats shall be registered annually in October at the MPOA office and shall display a current MPOA sticker on the port side of the bow. All boats must be maintained in good working order and appearance and shall be operated in accordance with federal, state and local requirements including, but not limited to, all requirements with respect to loading, life preservers and safety equipment. No boat of a length greater than eighteen feet shall be launched onto or used on the Lake without expressed consent of the MPOA Board of Directors. No boats may be moored or left unattended on the Lake after dark and before dawn except at the boat owner's own MPOA-approved dock. The owner of any boat moored on the Lake overnight shall register on the ArmstrongConnect webpage and shall provide management a telephone number or numbers at which the owner may be contacted.
- b. Motors:
  1. MPOA specifically prohibits gas-engine powered boats from Lake Montclair, with the exception of emergency response units and MPOA maintenance watercraft. Authorized users of Lake Montclair may launch a boat from West Beach with a gasoline engine affixed to the craft; however, the gas tank(s) must be removed before being allowed entry to the launch area and the out-drive of the motor must remain out of the water. Boats with non-removable gas tanks are prohibited on Lake Montclair.
  2. Boats operated on Lake Montclair may be powered by electric motors. However, no boat used or operated on Lake Montclair may be powered by one or more electric motor having a total power of more than 195 pounds thrust, or the equivalent of 3.5 horsepower.
  3. No boat with a gas tank or a gas engine may be stored, docked, moored or fueled on the lake. Boats that may be properly used on the lake may be docked at West Beach temporarily during the process of launching or removing the boat.
- c. Any boat launched, operated or moored on Lake Montclair in violation of these Guidelines is subject to impoundment. The owner of an impounded boat shall be liable for the costs of removal and all storage charges. Unregistered boats that are impounded from West Beach will be subject to a removal and storage charge of \$25. An impounded boat may be recovered by its owner upon showing proof of ownership and paying all removal and storage charges but may not be re-launched on Lake Montclair except in compliance with these Guidelines. Any impounded boat not recovered by its owner within thirty days of impoundment is subject to sale by auction or by such other means as the Board of Directors may determine appropriate.
- d. Boating and fishing are not permitted at any time within designated (roped-in) swimming areas. Lakefront property owners may use their boat docks for launching boats and fishing. Swimming from private docks and boats on Lake Montclair is at the swimmer's own risk.
- e. Dumping, pouring, or throwing any material into the lake or onto the beaches or areas adjacent thereto, or any common area abutting the lake, is forbidden.
- f. The only approved community boat launch area for boats requiring trailers is West Beach. Boats that can be hand carried may ingress/egress at any of the three community beaches outside of the marked swim areas. In addition, Southlake Landing and Waters Edge Townhome Association members may use their launch areas. Lakefront property owners may launch boats from their property. The West Beach boat ramp is chained off and locked when the beach guards are not on duty. Property Owners in good standing, desiring to launch Montclair registered boats from the ramp when beach guards are not on duty must have a key issued by MPOA for the lock. Keys may be obtained from the MPOA, and may be retained by Owners for future use. Owners will be required to leave a \$20 security deposit for the parking lot gate key and a \$75 security deposit for the boat ramp gate key fob. The security deposit will be refunded when the key and key fob are returned. All owners in good standing will be required to pay a \$100 fee (non-refundable) for a replacement key or key fob. After a boat is launched or retrieved via the ramp, the Owner must replace the chain and affix the lock.
- g. Under no circumstances may a boat trailer or vehicle be left anywhere on West Beach, the access road, or in the boat rack area. Parking will be in designated areas only. Violators are subject to an assessment of charges and/or loss of boating privileges as well as having the vehicle and trailer towed at their own expense.
- h. Boat storage at West Beach is restricted to the MPOA boat racks. Boat racks shall only be used by valid Montclair Recreation Photo ID holders, who have registered their boats with the Association, paid the **\$25 service fee**, and have properly affixed boat stickers to their boats. The \$25 service fee is to be paid annually by October 31. There will be a \$15 late fee if paid past November 10. MPOA is not responsible for loss or damage to boats stored on common property. If the Management Agent staff determines that an event has become uncontrolled, the Management Agent staff may terminate the function, and the security deposit(s) may be forfeited. The Sponsor's failure to maintain the proper atmosphere at a private function may also result in forfeiture of the right to use the facility for a period of up to one year.
- q. Private functions for children and teenagers without adequate adult supervision are specifically prohibited.
- r. No decorations of any kind may be affixed to the walls, ceilings, or doors of the facility. Except for birthday cakes, lighted candles or open flame devices are permitted to be used in the MPOA conference room only when approved in advance by the General Manager.

Cleanup shall include but not be limited to removal of all trash from the facility, placement thereof in the outside dumpster and cleaning and repositioning all tables and chairs. Any damage to the facility or its contents during a private function is strictly the responsibility of the Sponsor. The Management Agent staff will review the inspection sheet, perform a post-use inspection of the building before the next user, and make a determination if reported damage to the room or its contents was caused by the Sponsor's use. If it is determined that the damage was the result of the private function, the Management Agent staff will notify the Sponsor that all or part of the security deposit will not be returned.
