# FAQS

## ***What makes Color Luminary a 5th-dimensional course?***

To live in the 5th Dimension is to open your heart, expand your mind, become more conscious and be here now. It means the letting go of judgment, being here now, purifying your body, mind and spirit, and practicing unity on a daily basis. These are the intentions of the *Color Luminary*.

## ***How long is the Color Luminary training?***

The time it takes to complete the program really depends upon your personal schedule and commitment.

## ***How many lessons are there?***

*Color Luminary* is a self-paced, 16-lesson certification course with 4 modules. You will receive the course through email.

# FAQS

## *What will I learn during my Color Luminary training?*

Through a variety of workbook exercises and your own experiences, you will learn how to harmonize your life with the "colors of the heart," and to recognize and trust your own abilities through color intuition. You will also learn how to operate a heart-based business and to support Color Unity instead of becoming a fear-based competitor.

## *Are meditations a part of this course?*

Yes, they are! Color meditations have been created to assist you with self love, forgiveness, fear, judgment, and more! Since the recordings are in MP3 format, you may listen to them on your electronic device at your convenience.

# FAQS

## ***Are there any pre-requisites to enroll in the Color Luminary course?***

No, but it would be helpful to have a basic understanding of Anatomy. If you have not had previous color therapy training, a Suggested Reading list is available upon request.

## ***What is included in the Color Luminary kit?***

Through email, you will receive your lessons in PDF format, as well as downloadable meditation MP3s. The complete 8-bottle set of *Lightwaves* will be shipped via snail mail.

## ***What is the Lightwaves system?***

*Lightwaves* is a multidimensional color ascension journey that Eleyne-Mari co-created to support your *Color Luminary* training.

# FAQS

When used as instructed, *Lightwaves* frees the emotional body of stagnant 3rd-dimensional thinking, keeping your intentions clear and flowing with the highest vibrations of Light! There are 8 high frequency "colors of the heart" in this system. Each glass bottle contains two layers of liquid –the color energy of manifestation and the clear "wave" of consciousness.

*I'm not very intuitive so I don't think I'm ready to be a Color Luminary. Does Aura House offer any introductory color training?*

Yes, we offer a variety of self-healing instructional MP3s, including *Colors of the Sea*, *Loving Pink*, *Rainbow Crystal Journaling*, and *Rainbow Wellness* for color first aid. These recordings allow you to dip your toe into the colored waters, before you dive right into color ascension!

# FAQS

## *I'm ready to become a Color Luminary. What is the price?*

The complete *Color Luminary* ascension course—including the *Lightwaves* color system and a certificate of completion—is just **\$899**. This price includes shipping if you live in the United States. There is an additional shipping charge for those living in countries outside of the U.S.

## *Is there anything else I should know about becoming a Color Luminary?*

Yes. A “luminary” is committed to inspiring others and you are here at this time on this planet to share your knowledge. You have all the 5th-dimensional wisdom within you. The *Color Luminary* course will guide you to remember that wisdom!

As you practice your *Color Luminary* exercises, it is important to keep an open mind because what you will discover may be opposite from what you have been taught to believe as truth.

But if you are ready to change your life and welcome the 5th Dimension into your heart, please join us in the next step in your color evolution!
