

**Sparfell & Partners** (Switzerland) arranged a sale/leaseback for **FlyEgypt** on one B737-800, serial 32918. After advising FlyEgypt in the initial purchase of subject aircraft in 2015, **Aviation Capital Solutions** (UK) now became the lessor. S&P is further looking for two additional B737-800s for FlyEgypt for a mid to long-term dry-lease to further increase its fleet.
