CLOSED Sundays and Public Holidays.

Directions to Cat's Meow Cattery

*please note Google Maps locates our property incorrectly - please use the directions provided below

Drive along **Eatons Crossing Road** until you come to the **Mt Samson Rd** 'T intersection' – **TURN LEFT** as if heading to Samford Village.

In approx. 400m **TURN RIGHT** into Gibbons Road. Follow this road all the way (approx. 3.5km) until you come to a T intersection with **Mt O'Reilly Road - TURN RIGHT**.

Follow this road for approx. 2kms – BEWARE! do not accidentally turn off at the sharp right bend by entering Westwood Dr. Continue to **Reiner's Rd** which is the 3rd street on the left. **TURN LEFT** into **Reiner's Rd**.

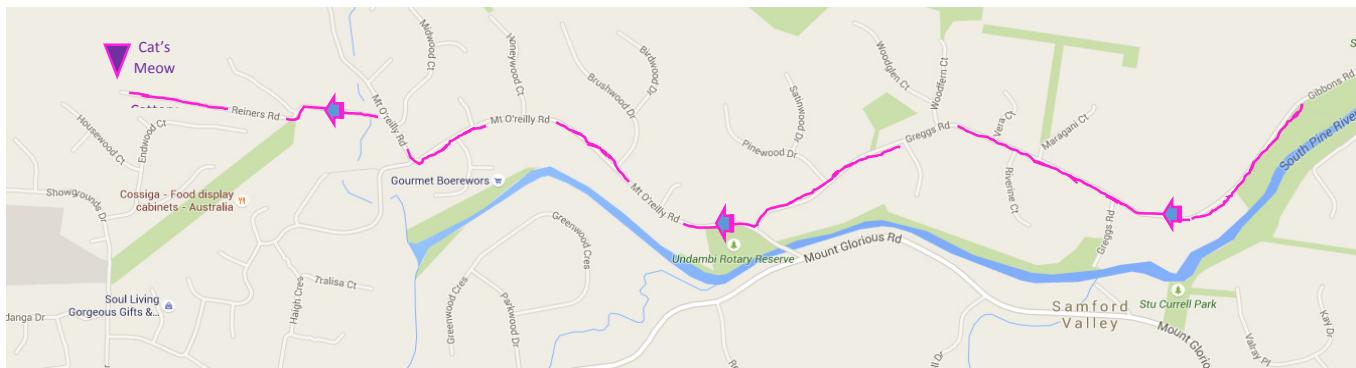

Follow the road around to the left, going past the golf club (*golf club will be on your right*) There is a sign that says NO THROUGH ROAD, and the road looks like a cul-de-sac where the newer estate ends - KEEP GOING, following the road. It now looks like a single lane 'country' road. It is about 1 km from this point to our gate.

We are right at the end of the road, with signs for the cattery on either side of our entry. The number **54** is also on our letter box and fence.

It is about 200 meters to the cattery which is the first building on the right.

**We have two very large Rhodesian Ridgeback dogs who may well greet you first.*

IF YOU GET LOST, PLEASE CALL US – **0419 776 430** and we'll assist you.
