## **Call for Speakers to the Tennessee Stormwater Association Annual Conference "Celebrating 10 years of Shimmering Success!"**

**Submissions are due May 1, 2018**

**Submit to [charlene@tnstormwater.org](mailto:charlene@tnstormwater.org)**

You are invited to participate in the Tennessee Stormwater Association Annual Conference "Celebrating 10 years of Shimmering Success!" 2018, being held October 15-17, 2018 at Montgomery Bell State Park located in Dickson, TN.

Our speakers and participants will come from across Tennessee with a focus on MS4 Permit Compliance and MS4 Programs. All help to create an event that informs, instructs and motivates stormwater, erosion control and watershed management practitioners, professionals, and government officials. The conference organizers encourage a professional atmosphere and anticipate a range of participating entities such as local and state government stormwater managers, environmental, engineering and legal consulting firms, research organizations, and watershed groups.

This call invites experts from stormwater related organizations and disciplines to submit an abstract to present at the conference. Topics of interest include MS4 Program Management and Permit Compliance, Stormwater and Watershed Planning, Monitoring and Research, Erosion Control, Legal Issues in Stormwater, Green Infrastructure, BMP/SCM Design and Maintenance, Stream Restoration, and Case Studies.

Please consider applying to present and share your knowledge at the Tennessee Stormwater Association Annual Conference— "Celebrating 10 years of Shimmering Success!" 2018.
