

Early Music Class

**Mostly Music from the Renaissance
La Mer Consort Recorders Plus
Director Brenda Bittner**

La Mer Consort is an amateur recorder group which has been performing in the South Bay for over 40 years. Participant level is intermediate/advanced but beginners who can read music can be accommodated. Join us to enjoy music through the ages with an emphasis on Renaissance/Baroque music.

The La Mer Consort Recorders Plus Class meets at the Manhattan Beach Art Center. The Fall session runs from September 13 through December 6. Classes meet Wednesday evenings from 6:30 to 9:00. Technique and beginners from 6:30 pm to 7 pm.

This session, we will be performing in December at Trinity Lutheran Church in Manhattan Beach.

The class is primarily for recorders, but we welcome other early music instruments (such as flute, violin, cornetto, crumhorn, sackbut or percussion) and voice to add variety to our performances. Occasionally, we demonstrate Renaissance dance as well.

Online registration is available at
