Many blacks are skeptical that the country will eventually make the changes necessary for racial equality

% saying...

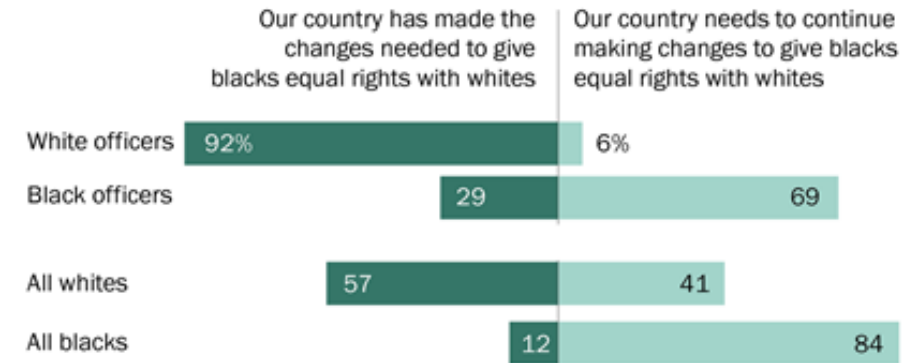

Note: Whites and blacks include only non-Hispanics. Figures combine results from two questions. The first asked whether or not our country has made the changes needed to give blacks equal rights with whites; the second asked those who said the U.S. had not made the necessary changes if those changes would eventually be made or not. "Other" includes voluntary responses of "Both" or "Neither" in the first question and "Don't know/Refused" in either question. Figures may not add to 100% due to rounding.

Racial gaps in household income persist

Median adjusted household income in 2014 dollars

Note: Income standardized to a household size of three and is reported for the calendar year prior to the survey year. For details, see Methodology. Race and ethnicity are based upon the race and ethnicity of the head of household. Whites and blacks include only those who reported a single race. Data from 1970 to 2014 include only non-Hispanic whites and blacks; data prior to 1970 include Hispanics.
