We are very excited for our 2017 Fall Tennis Programming! There has been tremendous growth at Match Tough Tennis Academy this past year and as a result we have made some programming changes. These changes are designed to maximize our players' growth and development:

- x In order to maximize our junior player's development we will keep our classes at the following coach to athlete ratios: 6:1 for ***Match Tough Tournament*** and ***Match Ready Training*** programs and 5:1 for ***Pre-Match Training*** programs. Please see registration form for class descriptions.
- x Parents will be required to commit to the days that their junior tennis players signed up for and once a class is at capacity, we will close that class until there is an opening. "Dropping In" is no longer an option.
- x If you miss your designated class day you can call or email the tennis center to see if there is an available make up class. Rain-Outs will be given as credit for next month.
- x Skill level assessments may be required before enrollment to ensure proper placement and student to coach ratio.
- x Payment Options:
 - Credit Card**- A valid credit card must be kept on file with Match Tough Tennis Academy LLC., and will be automatically charged by the 3rd of each month for that month's classes.
 - Cash or Check** - Payments are due by the 3rd of the month for that month's classes.
 - Payments are considered late by the 5th and subject to a \$15.00 late fee.**
- x All classes are payable at the beginning of the month, **no exceptions**. Any late payments past the 5th may result in your child losing their spot in the class.
- x All changes or drops in classes must be submitted via e-mail or phone call no later than one week before billing cycle.
