CCS Financial Aid

CCS strives to assist its families in meeting their financial obligation so that their children can attend our school. The Finance Committee established by the CCS Board of Education will meet to determine eligibility for families that have particular financial needs and will work through our tuition payment system, FACTS, to ensure that we do everything to allow our families to participate at CCS.

Please contact Mr. Bush in the school office at 419-935-3633 or email at bush@celeryville.org for more information or if you are interested in any of these opportunities.
