About the Organization

The Addiction Policy Forum is a diverse partnership of organizations, policymakers and stakeholders committed to working together to elevate awareness around addiction and to improve national policy through a comprehensive response.

About the Event

CARA Family Day, named after the Comprehensive Addiction and Recovery Act (CARA), brings families affected by addiction to Capitol Hill to educate Members of Congress on the issues and advocate for a comprehensive response to the addiction epidemic. By sponsoring CARA Family Day, your organization supports the event and scholarships for families from across the country to attend, raising awareness and supporting those impacted by addiction.
