ABOUT JAC

The Justice and Accountability Center of Louisiana (JAC), founded in 2011, addresses pervasive problems in the post-conviction phase of the criminal justice system and creates a supportive, collaborative space for attorneys and advocates.

The lack of access to appropriate services in the post-conviction phase of the criminal justice system and the lack of support for a positive reentry for people previously incarcerated are contrary to notions of fairness and justice. JAC envisions a just society where individuals have affordable access to necessary services. JAC has three goals for supporting a just community.

JUSTICE: Our first and immediate goal is to promote access to justice through legal services and related community education. JAC's legal services increase the likelihood of successful reentry and decrease recidivism rates. Throughout the year, JAC offers community education workshops, classes, and events for the general public, attorneys, stakeholders, policy makers, and the media on various criminal justice issues, including expungement, reentry, indigent defense funding and more.

ACCOUNTABILITY: Our second intermediate goal is to promote systemic change that will positively impact the lives of those previously incarcerated. JAC collects data to use for systemic reform through litigation, legislation, and policy advocacy. By tracking trends and highlighting deficiencies, we can provide the first step toward lasting change.

THE CENTER: Our third and long-term goal is to deconstruct the current model of legal practice and create a space for attorneys and advocates to come together. Through a collaborative approach, attorneys share intellectual resources, develop best practices and strategize avenues for meaningful representation.

BACKGROUND

The state of Louisiana arrests and incarcerates more people per capita than any other place in the world. A mere arrest creates a criminal record, regardless of whether any criminal charges were filed. These records are publicly available and widely used to deny employment, housing, education and training opportunities among others. Massive segments of our population face tremendous social and legal barriers to successful re-entry as a result of these discriminatory policies.

The Justice and Accountability Center of Louisiana responds to the legal needs of previously incarcerated populations in Louisiana who are marginalized by social stigma while changing the way lawyers provide services to those unable to afford private representation.

HOW TO USE THIS GUIDE

This guide provides basic information about how to seal (expunge) a record of arrest or conviction in Louisiana's Caddo, Morehouse, Ouachita, and Rapides Parishes. In the limited circumstances where expungement is possible, the process is relatively simple and usually can be managed without the help of a lawyer. This guide is intended to provide support to people helping themselves.

You can also download our expungement app, Clean Jacket App, for FREE from GooglePlay or iTunes, or visit the Clean Jacket App online at www.JACLouisiana.org. The app will let you know the situations in which you are unlikely to be successful in obtaining an expungement. Both the mobile and desktop Clean Jacket App will provide you with information and complete the forms necessary for you to file for an expungement.

CAUTION

The following information in this guide is not a substitute for legal advice nor does it give advice about a particular legal problem that you may have. This guide provides a non-specific overview of the expungement process. While an attorney is not needed to obtain an expungement, the help of a lawyer or someone who has experience guiding others through the process is recommended. Talk to a lawyer if you think you need the help. Resources can be found on page 32.

The information in this guide is accurate as of October 2016, but laws often change. Please check our website, www.JACLouisiana.org, for updates or contact a lawyer for individual legal advice.

NAVIGATING EXPUNGEMENT

IN LOUISIANA

The following is a general overview to the expungement process. The expungement process can be broken up into several steps. See pages 14-32 for specific information on what is required by your court to file for an expungement. This is informational and does not constitute legal advice. Always consult with an attorney for advice on your particular situation.

“Expungement” means an individual’s criminal record is sealed, but not destroyed.

STEP 1: GATHER YOUR PAPERWORK

You should start by requesting a copy of the minutes of your case from the clerk of court’s office in the parish where you were arrested or convicted. The minutes are a record of what happened in court in shorthand. They contain valuable information that will allow you (or your attorney) to determine eligibility. Please review pages 14-32 to determine what paperwork is required to file for an expungement in your particular court. You must attach this paperwork to your expungement motion when you file.

STEP 2: DETERMINE ELIGIBILITY

This step is important because the law does not allow a refund of expungement fees if the court denies the request for an expungement. There are a number of ways you can get assistance with this. You can use the FAQ’s on page 34 to try to determine eligibility, call an attorney, attend a JAC workshop or event, or use the mobile application “CLEAN JACKET” available as a free download in Google Play and iTunes stores. The Clerk of Court’s office will not be able to assist you with this step. Special Cases:

- You should make sure you determine whether or not you need to file a Motion to Set Aside a Conviction before filing for an expungement. It can be difficult to tell when this is the case, and you should seek the advice of an attorney if you are unsure. This should be completed before filing for expungement or obtaining your background check.
- In some cases, an individual may file an Interim Expungement. A person may file an Interim Motion to Expunge a Felony Arrest when a felony arrest results in a conviction of a misdemeanor. However, the motion only expunges the original felony arrest and not the conviction for the misdemeanor. See page 35 or seek an attorney for more information.

STEP 3: WAIVER OF COSTS

Some people may be eligible for a fee waiver by the District Attorney. You can find more information about eligibility for a fee waiver on page 13 and find requirements to obtain a fee waiver for your court on pages 14-32. If you are eligible, you must attach this paperwork to your motion when you file.

IN LOUISIANA

STEP 4: GET YOUR BACKGROUND CHECK

You must also obtain a background check before you file your expungement. Keep in mind that this document will expire in 30 days. We recommend that you have all filing fees available before requesting a background check. A valid background check must be attached to your Motion for Expungement.

STEP 5: FILE THE MOTION & PAY THE FEES*

In some cases, you may need to file a Motion to Set Aside a Conviction before filing a Motion for Expungement. These are two different steps and motions. If you believe you need to file a Motion to Set Aside first, proceed to Step 5A and then Step 5B. If you are sure you do not need to file a Motion to Set Aside, skip to Step 5B.

STEP 5A: MOTION TO SET ASIDE

You should be sure of whether or not this is the case before filing for expungement. You may need to file a Motion to Set Aside if your sentence was deferred. It can be difficult to tell when this is your situation, so if you are unsure, seek the advice of an attorney. You will need to file the Motion to Set Aside in the Clerk's office of the court where your case was heard. You should receive a notice to appear in court. Appear in court on the date that the notice requires you to appear. When your name or case number is called, walk up to the podium and tell the judge that you are trying to get an expungement. If the judge grants your motion, proceed with filing an expungement (Go to Step 5B). If he does not grant the motion, you may want to seek the advice of an attorney.

STEP 5B: MOTION FOR EXPUNGEMENT

You must file the motion in the court where the case was originally heard. You will need to pay the court costs (fees) to the Clerk of Court when you file for your expungement if you are not eligible for a fee waiver. If possible, bring an extra copy of your Motion for Expungement and ask the Clerk of Court to stamp the time and date on it so that you can remember when you filed your motion.

STEP 6: 60 DAY WAIT PERIOD

The Clerk of Court will send your Motion for Expungement to the State Police, the arresting agency, and the District Attorney. Each agency has an opportunity to object to your Motion for Expungement. The District Attorney, arresting agency (police or sheriff), and the State Police have 60 days to respond to the Motion for Expungement. If there is a problem with your expungement, you will get a notice to appear in court. Proceed to Step 6A and 6B below. If there is not a problem with your expungement, skip to Step 7.

NAVIGATING EXPUNGEMENT

IN LOUISIANA

STEP 6A: NOTICE TO APPEAR IN COURT

If one of the agencies responds with an objection, you will receive a subpoena to appear in court on your Motion for Expungement. It is likely that the sheriff will provide you with this paperwork at the address you listed on your Motion for Expungement. If none of the state agencies responded with an objection, you should receive a notice that your request for an expungement was granted. (Go to Step 7.) If you do not receive a notice that your request for an expungement was granted, return to the Clerk of Court with your copy of your Motion with the date and time stamp where you filed and ask for the status of your Motion for Expungement.

STEP 6B: ADDRESS THE ISSUES

If one of the agencies objects to your Motion for Expungement and you received notice to appear in court, you will attend a “contradictory hearing.” At this hearing, you will learn why an agency objected to your Motion for Expungement. Some reasons for objection include administrative errors. For example, the sheriff may have recorded your arrest one way and the Louisiana State Police may have recorded it in another way. This could be an administrative error and it may be possible to fix the errors. In the event you are representing yourself and you do not understand what is happening in court, ask the judge to explain. If you still are not sure of what is happening or feel uncomfortable, you can ask the judge to set a new date so that you can seek the assistance of an attorney.

STEP 7: ORDER GRANTED!

Congratulations! You successfully represented yourself in court proceedings! Here are a few tips as you continue to move beyond the bars.

Get a certified copy

Once the court has granted your expungement, ask for a certified copy. The judge may direct you to the clerk’s office to get it or tell you that a deputy will deliver it to the address listed on your motion. When you receive it, be sure it is certified with an embossed stamp by the clerk. It will be the best way for you to prove you had the arrest or conviction expunged while you wait for certification of the expungement from the State Police. Do not lose or give this away because you will not be able to get another one. Keep it safely in a waterproof/fireproof place.

Be sure you get a Certificate of Compliance from the Louisiana State Police

After your expungement is granted, the clerk will send a copy of the order to the local law enforcement, the local district attorney, the parish sheriff, and the Louisiana State Police. That is how the court directs each agency to seal your record from public view. After the State Police does what the judge has ordered them to do, they will send you a letter. The letter is a “Certificate of Compliance.” It verifies that your record has been sealed.

WHAT DO I DO AT A HEARING?

In some cases, you the court may subpoena you, which means you must appear in court on the date and time provided to you. This will happen after filing a Motion to Set Aside a Conviction and may happen after filing a Motion for Expungement. Please note that if you fail to appear on the date and time on your subpoena, you could hurt your case. Always appear in court on the date that the notice requires you to appear.

When you arrive, you will need to wait for your case to be called. When your name or case number is called, walk up to the podium and tell the judge that you are trying to get an expungement. Here are a few pointers to help you through your hearing.

- **Listen!**
Listen to everything the judge and the District Attorney have to say.
- **Ask!**
If you do not understand what is going on ALWAYS ask the judge to explain to you what is happening. Remember, the judge knows you are not an attorney. You should not be expected to act like an attorney by anyone. Asking questions and being honest with what you do and do not understand is very important during a hearing.

If you feel you need a lawyer's help at the hearing, ask the judge if you can have some time to get a lawyer. If the judge gives you more time you will get another date to appear in court with an attorney.

EXPUNGEMENT PAPERWORK EXPLAINED

Below is an overview of the types of paperwork you may need to file your expungement. In the next section, you will find the specific requirements for your court with instructions for where to retrieve these documents. You may not need to collect all of the documents below. For more information on words and phrases used in this guide, please review page 38.

In all cases:

BACKGROUND CHECK

You must include a valid background check with your expungement forms. It shows the court and all parties what your record looks like in a given parish. You must file for your expungement within 30 days of completing your background check. JAC highly recommends you have all filing fees available before completing your background check. Check with your court on how the fees should be paid (pages 14-32 of this guide).

EXPUNGEMENT FORMS

You must include and complete the expungement forms. They are usually available at the Clerk of Court for your court, or in some cases you will need to access them online. JAC has the forms available online at www.JACLouisiana.org. Fill out the forms that apply to your situation ONLY. Clerks cannot help you determine which forms you will need, nor can they help you fill out the forms. If you are unable to complete the forms yourself, download JAC's Clean Jacket App for FREE on iTunes and GooglePlay or seek legal advice from an attorney.

In some cases:

AFFIDAVIT OF NO OPPOSITION

This is included in the expungement forms, called the "Affidavit of Response." It allows the District Attorney, State Police, and the arresting agency to respond to your motion with either no opposition or with reasons for opposition. In most cases, the clerk will send this form to each agency after you file. In some cases, you may need to take this form to the DA to sign before filing your expungement.

BILL OF INFORMATION

The Bill of Information shows the exact charge against you and can be obtained from the Clerk of Court.

CERTIFIED MINUTES

Minutes are the shorthand version of everything that happened in your case. The minutes can be obtained from the Clerk of Court and there might be a fee.

EXPUNGEMENT PAPERWORK EXPLAINED

FEE WAIVER

A fee waiver must be authorized by the District Attorney only. The fee waiver allows you to file for an expungement and not pay any fees. The fee waiver can be found with the other expungement forms at the Clerk of Court or online, and it usually needs to be authorized by the DA before you file for expungement. You may be eligible for a fee waiver if the below conditions apply to you. If you are not sure, seek the advice of an attorney.

- You have no prior felony convictions anywhere in the country.
- You have no pending felony charges against you.
- Your case ended in an acquittal, motion to quash, or it was dismissed/refused and the time limit for prosecution has expired, and the dismissal was not the result of completion of diversion.

FINGERPRINTS

Fingerprints may be required to get a background check. Please note that you may not need to include your fingerprints with the Motion for Expungement.

MOTION TO SET ASIDE CONVICTION FORMS

A Motion to Set Aside is a preliminary step some individuals may need to request before getting an expungement. You should be sure that you do not also need to file a Motion to Set Aside a Conviction before obtaining your background check. If you do not know whether you need to file a Motion to Set Aside Conviction, seek the advice of an attorney. The forms can be found at www.laclerksofcourt.org under "CCrP 893 & 894" on the left side bar. You can also locate these forms on the JAC website at www.JACLouisiana.org under "Expungement Education".

PROFILE REPORT DISPOSITION

A Profile Report Disposition is a document that describes the specific outcome of your court case. In some cases, you may need to retrieve this from the Clerk of Court.

RECEIPT OF COURT COSTS AND FEES:

In some cases, you may need to retrieve this from the Tax Assessor's office. It shows that you paid all of your court costs from your case.

FREQUENTLY ASKED QUESTIONS

What is an Expungement?

“Expungement” means removal of a record from public access but does not mean destruction of the record. An expunged record is confidential, but remains available for use by law enforcement agencies, criminal justice agencies, and other state agencies as stated under Louisiana law.

Am I eligible to have my record expunged?

JAC strongly recommends that you contact an attorney, download our free mobile app for assistance or attend a workshop or event to review the potential in having your record expunged.

Can Federal arrest records be expunged?

An arrest for simple drug possession when under 21 years old may be expunged. Other arrests on Federal charges are not possible to expunge—unless the case ended with an acquittal or exoneration.

I received a first offender pardon. Does that automatically expunge my record?

No. There are two kinds of pardons, both of which restore certain rights differently. An automatic pardon is given to first time offenders in Louisiana (some crimes are excluded from eligibility). An automatic first offender pardon does not prevent the State from using your record against you in the future, nor is your record sealed from public view. However, a full governor’s pardon prevents your record from being used against you at a later time for subsequent convictions and returns you to the state you were in prior to arrest.

If I was never prosecuted, how long do I have to wait to apply for an expungement?

Applications may be filed immediately following an acquittal or successful motion to quash. If the District Attorney dismissed or refused prosecution and the time limit for prosecution has run out, then an expungement may be possible. Generally, the DA has a specific amount of time after the date of the offense within which he or she must institute charges. They are as follows:

- No limit: Crimes punishable by death or life imprisonment
- 10 years: Some sex crimes
- 6 years: Felonies punishable by imprisonment and hard labor
- 4 years: Felonies not necessarily punishable by imprisonment or hard labor
- 2 years: Misdemeanors punishable by fine or imprisonment
- 6 months: Misdemeanors punishable by fine

FREQUENTLY ASKED QUESTIONS

Can I have my juvenile arrest record expunged?

JAC recommends speaking with a Juvenile Advocate, such as the Louisiana Center for Children's Rights. Phone: (504) 658-6860. Address: 1100-B Milton St. New Orleans, LA 70122.

What is an Interim expungement?

A person may file an Interim Motion to Expunge a Felony Arrest when a felony arrest results in a conviction of a misdemeanor. However, the motion only expunges the original felony arrest and not the conviction for the misdemeanor. This is because the interim motion to expunge is separate from a motion to expunge a final conviction. Additional fees may be assessed after completion of probation if the defendant wants the conviction expunged at a later date. If you think you might be eligible for or need an Interim Expungement, seek the advice of an attorney.

How do I apply for an expungement?

An expungement requires the Court's approval. There are uniform forms that all courts must use. Fill out the required forms and submit them to the Court with a background check that was acquired within thirty (30) days of the filing date. For example, if you are filing your expungement on January 30, 2015, then your background check must be issued on or after January 1, 2015. There may be additional requirements, depending on your court. See pages 14-32.

How much does an expungement cost?

Expungement costs vary by court. Please see pages 14-32 of this guide to find specific information on the fees for your court.

What do I say at a hearing?

Listen to the Judge and the State. If you do not understand what is going on, ALWAYS ask the Judge to explain to you what is happening. If you think you need a lawyer's help at the hearing, ask the Judge if you can have some time to get a lawyer. If the Judge permits this, you will get another date to appear in court with an attorney.

FREQUENTLY ASKED QUESTIONS

I am indigent. Can I have the costs waived?

No. The only circumstance that allows for a fee waiver is if all of the following applies:

- The individual has no prior felony convictions anywhere in the country
- The individual has no pending felonies
- The offense for which the individual was prosecuted ended in an acquittal, motion to quash, or it has been dismissed/refused and the time limit for prosecution has expired
- The offense was not dismissed after successful completion of diversion

How long does the whole expungement process take?

It will take sixty (60) days from the date of filing for all the agencies to respond to your request for an expungement. It may then take additional time for the Louisiana State Police to mail you a Certificate of Compliance.

Once my record is expunged has it been removed from all potential viewers forever?

No, some government agencies may still be able to view an arrest record even after it has been expunged. They are as follows: The Office of Financial Institutions, the Louisiana State Board of Medical Examiners, the Louisiana State Board of Nursing, the Louisiana State Board of Dentistry, the Louisiana State Board of Examiners of Psychologists, the Louisiana Board of Pharmacy, the Louisiana State Board of Social Work Examiners, the Emergency Medical Services Certification Commission, Louisiana Attorney Disciplinary Board, Office of Disciplinary Counsel, the Louisiana Supreme Court Committee on Bar Admissions, the Louisiana Department of Insurance, the Louisiana Licensed Professional Counselors Board of Examiners, or any person or entity requesting a record of all criminal arrests and convictions pursuant to R.S. 15:587.1, or as otherwise provided by law.

If I apply for a job after my record is expunged how do I answer questions about my record on a job application?

There is no clear answer under the law. Seek the advice of an attorney regarding your particular situation.

FREQUENTLY ASKED QUESTIONS

Can I be denied employment because of my criminal record?

Private employers can deny you employment for any reason. However, public employers and licensing authorities should only deny you employment if your arrest/conviction is reasonably related to the job for which you have applied. Request the assistance of an attorney if you believe you have been wrongfully denied employment.

What does JAC's Clean Jacket app do?

The app provides individuals with an informational review of their opportunity for expungement. Some convictions are not eligible for expungement under any circumstance, such as convictions that require registration as a sex offender. The app informs individuals that it is unlikely that the court would grant an expungement under the expressly prohibited circumstances.

If you decide to pursue an expungement without an attorney, the app and the desktop version will help you complete the necessary paperwork for filing and generate these completed forms. Please note that you will need the minutes from your case to complete the questions in the app or online.

Where can I get the Clean Jacket app to see if I am eligible for expungement?

The Clean Jacket app is a FREE download available on iTunes and Google Play. You can also visit JACLouisiana.org and use the app on our website.

How does the app work?

Using the law, JAC devised a process through which individuals can be educated on the general likelihood of an expungement occurring. Without a direct review of an individual's particular arrest or conviction, however, the app cannot advise individuals on the success of filing a Motion of Expungement in any Louisiana court. The app will use the information you provide from your court minutes to generate the required forms for filing for expungement, if you decide to pursue an expungement without an attorney.

FREQUENTLY USED WORDS AND THEIR DEFINITIONS

This section will define several words and phrases for you.

Affidavit of Response/Affidavit of No Opposition: A form that is filed with your motion for expungement and allows the District Attorney, State Police, and arresting agency to respond to your motion with either no opposition or with reasons for opposition. If each of these three agencies responds with no opposition, your expungement may be granted. If an agency responds with opposition, you will attend a contradictory hearing.

Background Check: A background check will show what your criminal record looks like in a given parish.

Bar Association: An organization of lawyers established to promote professional competence, enforce standards of ethical conduct, and encourage a spirit of public service among members of the legal profession. They can be a resource for accessing legal services.

Bill of Information: A written statement that accuses a person of a crime that leads to a trial for the commission of the said crime. Also known as a complaint.

Certificate of Compliance: In expungement, a “Certificate of Compliance” is a letter that verifies that your record has been sealed. After your expungement is granted, the clerk will send a copy of the order to the local law enforcement, the local district attorney, the parish sheriff, and the Louisiana State Police. That is how the court directs each agency to seal your record from public view. After the State Police does what the judge has ordered them to do, they will send you this certificate.

Certified Copy: A photocopy of a document, judgment, or record that is signed and attested to as an accurate and a complete reproduction of the original document by a public official in whose custody the original has been placed for safekeeping.
