**ALLYSCRIPTS ACHIEVES ACCREDITATION WITH ACHC**  
**Specialty Pharmacy embodies unwavering commitment to improving the quality of patient care**

**SCOTTSBORO, AL.** AllyScripts, LLC, a quality-focused full-service specialty pharmacy, announced today its approval of accreditation status by Accreditation Commission for Health Care (ACHC) for Pharmacy - Specialty Pharmacy Services.

AllyScripts was founded in March 2016 as a specialty pharmacy designed for independent pharmacies that place emphasis on improving their quality of patient care with cost-effective solutions. AllyScripts allows pharmacies with an unwavering commitment to excellence the ability to provide products and services that ensure optimum care for patients they serve.

Achieving accreditation is a process where healthcare organizations demonstrate compliance with national standards. Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care.

ACHC is a not-for-profit organization that has stood as a symbol of quality and excellence since 1986. ACHC is ISO 9001:2008 certified and has CMS Deeming Authority for Home Health, Hospice and DMEPOS.

"Achieving ACHC accreditation demonstrates that AllyScripts is dedicated to the highest standard in its' mission of helping local pharmacies serve their patients with specialty needs. AllyScripts Pharmacy Accreditation from ACHC emphasizes our ongoing commitment to quality patient care" said Jeff Vigh, President and General Manager of AllyScripts.

**ABOUT ALLYSCRIPTS, LLC**

AllyScripts is a full-service specialty pharmacy designed to provide American Associated Pharmacies (AAP) Member independent retail pharmacies with the opportunity to enter the specialty pharmacy segment. Partnering with AllyScripts allows independent pharmacies to retain patients, provide specialty services and products, and compete in the growing specialty segment, all without the costly investment in inventory, systems or personnel needed to provide specialty services.
