

Dear Valued Friends, Colleagues & Business Partners;

We would like to wish all our colleagues at this special time of year who have enriched our lives with varied traditions and cultures, partners around the globe, clients from all nations and industry associates a wonderful Merry Christmas and a Happy New Year!

2017 was a memorable year for Redstar on so many levels and as the season draws to an end, we wanted to acknowledge the tremendous efforts of all our colleagues from "old school" to "newcomers" throughout the course of the year.

Some milestones from 2017 are;

- +200 patients, reaching out to over 90 countries, extending our operations from Seoul to Dakar and delivered high quality services
- Celebrated the arrival of the second aircraft to our fleet which delivered great results
- Renewed our design which appears modern & clean, approachable but crisp, and has a smart touch to represent our values and the clients we serve
- Upgraded our service standards with the aim of obtaining EURAMI accreditation
- Expanded our business and our capabilities by investing further in medical equipment, maintenance and operational capabilities & IT

2018 will see some exciting changes in Redstar as well, with the expansion of fleet, new contracts, enhancement in our operational and maintenance capabilities & more. It will be an exciting new chapter for Redstar; „thank you for being part of it"! We look forward to it with excitement & are eager to start the journey!

May your Christmas be rich with family love, warm with friendship, happy with life's goodness and blessed with the joys of the season. And may this New Year fulfill your business dreams & give us more opportunities to work together.

See you in 2018!

Redstar Aviation
