

Finding the just right book

TOO HARD

- ** There are more than five tricky words per page.
- ** I have to reread a lot.
- ** I have to read the story too slowly.

TOO EASY

- ** There are no tricky words .
- ** I have to read without having to think about it.
- ** I read the story too fast.

JUST RIGHT

- ** There are less than five tricky words per page.
- ** I think about the story as I read it.
- ** I read the story at my own pace.

Five Finger Rule

- ** Choose a book and read the first page or two.

- ** Put one finger up for every word you don't know.

- ** If five of your fingers go up while reading, choose another book.

- ** If only two or three fingers go up, you've found the "just right" book.

HAPPY READING
