OUR STORY.

After a lifetime of running Chicago's finest restaurants, Jeff Shapiro brings his passion to life! Jeff has had a lifelong obsession for the best foods, and ultimately, the best BBQ. This led him to travel the Midwest, the Carolinas, Kansas, Kentucky and Tennessee. He teamed up with long time friend, Chef Dean Eliacostas, and hit the competitive BBQ circuit. Known as Dr. Deckle and Mr. Hide, they won quite a few trophies and gained recognition before Jeff determined it was time to open a real restaurant where everyone could enjoy the flavors. The journey continues right here, where Jeff is sharing his love of the craft with you! It is his commitment every day to bring food lovers all over Chicagoland the best "Real Urban Barbecue."

THE RUMOR IS TRUE.

We may run out of food! Yes, it may happen. We smoke enough BBQ daily to keep it fresh and keep our promise of the best quality. So when we're out, we're out! Please forgive us if your favorite item is not available. We promise it will be back again tomorrow!
