

You're Invited!

Please join us for Breakfast, and an update on Today's Markets.

We would like to personally invite you and your colleagues to an ETF breakfast sponsored by Direxion and Astoria Advisors. The purpose of the event is to hear from a market expert and researcher, John Davi CEO/CIO of Astoria Portfolio Advisors. John has structured ETF portfolios and advised clients on market positioning for two decades.

Join us for this unique opportunity to learn about the markets and gather unique insights into strategies to best prepare your portfolios for 2019 and beyond. The event will be co-hosted by Sylvia Jablonski, Head of Capital Markets and ETF Institutional Strategy at Direxion ETFs.

Seats are limited

Time/Location: JANUARY 9TH, 2019

The Lambs Club offers Chef Geoffrey Zakarian's modern approach to American cuisine with distinct ingredients, highly seasonal menus and a signature approach to hospitality.

Feel free to forward this invite to any colleagues you feel might be interested in attending. We hope you can join us!

Thank you.

Regards,

Sylvia Jablonski and John Davi

An investor should carefully consider a Fund's investment objective, risks, charges, and expenses before investing. A Fund's prospectus and summary prospectus contain this and other information about the Direxion Shares. To obtain a Fund's prospectus and summary prospectus call 866-476-7523 or visit our website at direxioninvestments.com. A Fund's prospectus and summary prospectus should be read carefully before investing.

An investment in the Funds involve risk, including the possible loss of principal. The Funds are non-diversified and include risks associated with concentration risk which results from the Funds' investments in a particular industry or sector and can increase volatility over time. Active and frequent trading associated with a regular rebalance of the fund can cause the price to fluctuate, therefore impacting its performance compared to other investment vehicles. For other risks including correlation, leverage, compounding, market volatility and specific risks regarding each sector, please read the prospectus.
