

Can You Help?
Seeking Homestay Hosts
for the Pacific NW Conference
ANNUAL MEETING
April 26th-27th, 2019

We are looking for local Bellevue, Seattle, and surrounding area congregation members willing to be homestay hosts to provide overnight accommodations for out-of-town church delegates during the Pacific Northwest Conference Annual Meeting this year. Friday Conference activities include a Revival on the evening of April 26th, and Annual Meeting at First Congregational UCC of Bellevue on Saturday, April 27th.

Guests will need a place to stay for one or both nights: Friday, April 26th and Saturday, April 27th. You will not be expected to feed or transport guests. We will take care of matching you and your accommodations with participants expressing need for lodging and you will be provided with contact information in advance so you can contact your guests. This is a great way to contribute to the ongoing work of the PNCUCC, and to get to know other UCC church members from across our Pacific Northwest Conference!

If you can help host any visiting Annual Meeting delegates and friends, please let us know by sending the information below to Rev. Jill Komura at: 2019AMHousing@gmail.com or Arlene Hobson, Executive Administrator, PNCUCC Office: pncucc@gmail.com
