 Thanks to Barry with Shades C playing Taps over pool loudspeakers for having children and adults join on the minute of silence today group that gathered at the remember!! #memorialday @cisparkslaw

@chick4acause

In February, I spoke to the Simmons Middle School Art club and challenged them to use all of my "goodies" to create chicks with positive messages on the back for Hope Lodge rooms, UAB and other areas where patients are fighting cancer so they know an army of all ages is standing behind them. I am so impressed with the compassion and creativity these 6th-8th graders made...I hope it will bring joy to the patients.
