

## For rent in Spain

### Costa Natura Apartment C108

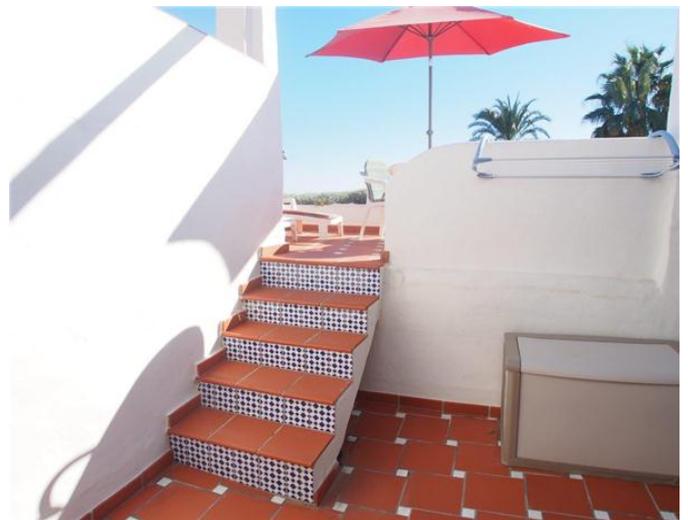

Costa Natura is a wonderful naturist holiday resort south of Estepona and only 1 hour drive from Malaga airport. The 200 different apartments in Andalusian style reflect the white mountain villages. The beautiful award winning gardens are filled with palm trees and Mediterranean plants and flowers. From all over the resort there are stunning views over the sea and the beach.

The Costa Natura naturist resort welcomes families and couples. The resort has a children's playground and a smaller children's pool next to the heated swimming pool. As we will only use our apartment during our holidays, we are happy to rent it out the rest of the time whether you're looking for a weekend trip or a long term stay! The resort has many owners and guests from Scandinavia, Holland, Belgium, UK, Germany and Spain.

CN108 is a nicely situated apartment just in front of the sea.

The apartment is L-shaped and has sliding doors from the bedroom and the living room to the lower terrace. In the winter months the lower terrace has nice shade from the wind and still plenty of sun.

As the apartment is located very close to the sea you have magnificent views from the upper terrace

The kitchen is well equipped and has a bar desk for eating inside.

The living room is open towards the kitchen and has a large corner sofa with plenty of room.

Sleeping room has a double bed and a big cabinet with mirrors giving lots of light in the room

The resort has a large swimming pool, sauna and Jacuzzi all free of charge. There is a volleyball court, petangue and free yoga lessons 3 times a week. The restaurant offers nice Spanish and International meals at very reasonable prices. In high season breakfast (7,50€) and half-board (25€) is available. From the resort, there is direct access to a naturist beach.

Across the road there is an ALDI and a big Spanish supermarket with fresh fruit and fish.

Malaga airport is only 1 hour drive and most low-price airlines fly to Malaga. Busses from the airport to the resort and plenty of rental car companies. We can recommend malagacar.com
