

For rent in Spain

Costa Natura Apartment CN68

Costa Natura is a wonderful naturist holiday resort south of Estepona and only 1 hour drive from Malaga airport. The 200 different apartments in Andalusian style reflect the white mountain villages. The beautiful award winning gardens are filled with palm trees and Mediterranean plants and flowers. From all over the resort there are stunning views over the sea and the beach.

The Costa Natura naturist resort welcomes families and couples. The resort has a children's playground and a smaller children's pool next to the heated swimming pool. As we will only use our apartment during our holidays, we are happy to rent it out the rest of the time whether you're looking for a weekend trip or a long term stay! The resort has many owners and guests from Scandinavia, Holland, Belgium, UK, Germany and Spain.

CN68 is a large renovated apartment in 2 levels and can sleep up to 4 people. There are 2 private terraces with sea view and sun all day and evening.

Sea view from the 2 terraces. Amazing views over the sea and the resort. Beautiful sunrises and sunsets

A big and well equipped kitchen with plenty of cupboards and a granite work surface. There is an Italian designer dining table that cleverly folds out into a stylish bigger table. New dish washer and full size oven. The entire apartment has tiles on the floors and all kept in white colours. From all rooms you have a magnificent view.

Living room opening to one of the terraces. A double sleeping sofa, and television with satellite comm.

The bathroom is modern with a big walk-in shower and electrical towel dryer

Upstairs is the bedroom with a big cabinet. Exit to the upper terrace from the bedroom

The resort has a large swimming pool, sauna and Jacuzzi all free of charge. There is a volleyball court, petangue and free yoga lessons 3 times a week. The restaurant offers nice Spanish and International meals at very reasonable prices. In high season breakfast (7,50€) and half-board (25€) is available. From the resort there is direct access to a naturist beach.

Across the road there is an ALDI and a big Spanish supermarket with fresh fruit and fish.

Malaga airport is only 1 hour drive and most low-price airlines fly to Malaga. Busses from the airport to the resort and plenty of rental car companies. We can recommend malagacar.com
