

## **International Women's Day, March 8**

### **PRAYER FOR SHARING**

March 8<sup>th</sup> is International Women's Day. On this day we celebrate all women in life; our mothers, daughters, sisters, friends, colleagues, neighbors. The JPIC Anti Trafficking Working group has created a prayer which reminds us of the need to pray for those men and women who continue to suffer on this day.

Below a series of translations of a prayer service, prepared for this day. Please ensure to share within your community and to other interested communities and individuals. Please also let us know if you can provide a new or improved translation.

Thank you. JPIC Commission Secretariat
