

## Golden Sun Disc of Mu

The Golden Sundisc of Mu is many things to many people. Primarily, it was a method by which the Priests and Priestesses of Mu attuned to the stars, and corrected the alignments of Earth to the cosmos. The alignments had become "out of kilter" due to interference in the firmament, and the tilt that affected the body of Earth.

The Golden Sun disc was a cosmic mechanism which aligned Earth and our Solar Sun to the Great Central Sun of the galaxy. It was kept in a hall within Mother Mountain, where only the High Priests and the High Priestesses had access to it during ritual ceremonies. At all other times, the people of Mu could trek high into Mother Mountain to sit in its glorious golden rays. Alignment with the Golden Sundisc allowed people to attune to cosmic light rays emanating from the Central Sun of our galaxy. In doing so, individuals became more aligned with their deep soul-light and with the collective consciousness of society. They would become relaxed, peaceful, and gain a profound sense of Oneness with all that is.

During the dark days, when Atlantean technology was threatening the stability of the Motherland, the Sundisc was secreted away from Mu by the Last King of Mu and the Solar Shaman - the Sunlord - known by the generic term Ah-Ma-Ru -Aharmu, Priest of Mu. The Last King of Mu and his brother the Sunlord took the disc with them as they sailed across the seas to the coast of another great continent. As the cataclysm occurred, and the tsunami waves rolled over the Motherland and eventually sank her, the bay of Titicaca rose to form what is today Lake Titicaca. There is geological evidence of the sudden, rapid rise of this area.

As the Golden Sundisc of Mu was used to attune the consciousness of the Motherland's inhabitants to the Great Central Sun, it is often invoked today as a symbol of enlightenment and ascension. The Great Golden Sundisc of Mu belonged to the era we are now leaving. As a new era commences, a new cosmic entity is replacing the function of the Lemurian Sundisc. As the old Sundisc was accessible to all at certain times and in different ways to different people, so too is the new mechanism available for all to meditate upon. As our planet and solar system move closer to Central sun, becoming at optimum distance with Great Central Sun at the end of 2012, the need for special meditations is diminished. It is within the power of all humanity to attune to the benevolent golden rays of the Great Central sun if they so intend, with piety and grace.

## **Stellar Alignments and the Sundisc**

Part of the Sundisc's ancient role was to attune various stars and constellations which were part of the cosmic creational matrix. These constellations or stars included Cygnus, the Southern Cross, Pleiades and the star systems of Sirius. The Priests and Priestesses of Mu would gather in a special cave within Mother Mountain, and in the presence of the Golden Sundisc align their consciousness with the stellar bodies. Although the tilting of earth - perhaps caused by a cosmic catastrophe - made the stars and constellations appear in differing places in the sky across the year, the Priests and Priestesses would 'correct' the alignments by attuning to the faint rays of starlight emanating from these stars and grounding them deep within the LeMURian continent. Throughout the ages, many cultures built elaborate structures - henges, dolmens, standing stones and other megalithic monuments recording the placement of star systems during earth's solstices or equinoxes. One of the reasons for this obsession that was paramount within so many ancient cultures, was the need to "code" the heavens as they had appeared in the original, pre-catastrophe, form - that is to say how the heavens appeared before the tilting of the planet. This knowledge became closely guarded and coded carefully. The priestesses of Mu devised an elaborate system whereby parts of this knowledge would be kept alive through various "seeding cultures", secret and hidden till the time came when our planet could once again hold enough Light to bring this knowledge into the open.

Over the past decade, with increasingly more and more information becoming available from diverse traditional cultures, the information which was stored throughout generations by the seeding cultures of Mu is once again coming to public knowledge. As the ancient lineage of Rishis in India once shared their secrets with James Churchward, so too are other once secret traditions coming to world attention. Gradually this information will become available and can be cross-referenced, bringing back all of the sacred traditions of Mu the Motherland.

## Return of the Inner Sun

Tags: 11-11-11, Amaru Muru, Brotherhood of the Seven Rays, Golden Sun Disc, Lake Titicaca, Pachacuti, Viracocha

There once hung a gigantic disc in a great temple in Lemuria, which served as a symbolic representation of our place of origin – the Grand Central Sun.

Whenever it was struck by a high priest, this sun disc would set certain vibratory conditions that could bring about great earthquakes and even a change in the rotation of the Earth itself.

Known as the Golden Sun Disc, this disc was made entirely of transmuted gold and was held by ropes that were also made of gold. The disc reflected the rays of the Sun into the temple in which it stood. In front of it, blazed the eternal Divine Light of Creation.

When the continent of Lemuria broke apart during the destruction of Atlantis, the Andean mountain range sprang up along the west coast of South America. At that time, there was an ancient city in what is now the country of Bolivia. During the ensuing cataclysms, this city was raised above the level of the sea, causing a lake to form at its feet. At over 12,000 feet above sea level, Lake Titicaca is now the highest navigable lake in the entire world.

One of the great Lemurian sages and the keeper of the scrolls during these final days was named Aramu Muru. After the Fall of Man, he was delegated to build a monastery high in the Andes Mountains where our ancient wisdom and spiritual knowledge could be preserved. There, in a sacred valley near the lake, he constructed the monastery out of enormous blocks of stone that were precision cut using Light. The monastery became the home of the Brotherhood of the Seven Rays.

The island of Og was originally a Lemurian colony that, over time, came to be under the control of Atlantis. When Atlantis and Lemuria finally sank into the oceans, the Incas built their spiritual society atop the ruins, in Bolivia, Ecuador and Peru. The Brotherhood of the Seven Rays became the leading force in their spiritual life. So, over time, Aramu Muru gave the Incas the use of the Golden Sun Disc.

***If you hold to my teaching, you are really my disciples.  
John 8:31***

The Incas placed the Golden Sun Disc inside their Temple of the Sun, in the Peruvian city of Cusco. They used it to receive information directly from the Sun god, *Tiki Viracocha*, the Universal Mind at the center of the galaxy.

This enormous disc stood in the Temple of the Sun until the 1500s when the Spanish conquistadors landed in Peru and destroyed the temple. At that time, Aramu Muru moved it to Lake Titicaca where it remained hidden beneath the waters, in a subterranean temple at the monastery of the Brotherhood of the Seven Rays.

The indigenous people of South America are now patiently awaiting the *Pachacuti*, the return to Unconditional Love – the Return of the Inner Sun.

***The kingdom of God is within you. Luke 17:21***

There is a mechanism that will allow us to rise to the level of Unconditional Love. It's an energy vortex that takes in one form of energy and weaves it into another. These weavers are solar discs, which are located in various places around the world. They are objects of perfection that were once used to regulate the synergy of the fundamental forces of the Earth with that of mankind and the celestial realms.

The Atlanteans used base-12 mathematics. So they constructed twelve major solar discs, one of which will, in turn, be activating all of the others. And that disc is the ancient Golden Sun Disc

that was hidden within Lake Titicaca so long ago. It is a perfect battery for both receiving and transmitting the higher dimensional energies that are required for Earth's ascension.

These twelve solar discs emit a zero point energy – an energy of pure Unconditional Love that can only exist in the fifth dimension and above. They are spiraling strands of DNA – the DNA for the new Terra Nova Earth.

***God always takes the simplest way. Albert Einstein***

The Golden Sun Disc was re-coded in the year 2010. It was activated on November 11, 2011. That was the triple date of 11-11-11.

On the first New Moon of the year 2012, an energy that was first received within the Great Pyramid was transmitted to these twelve Sun Discs. There have been additional coded influxes of energy released on the equinoxes, eclipses and solstices of 2012, culminating on the 12-12-12 triple date.

These energies have increased exponentially in potency. On December 21, 2012, the composite frequencies of the twelve Sun Discs came together as one, in an event that was felt throughout the Cosmos.

## **History of the Sun Disc of Mu**

Held by ropes of pure gold in a shrine in the greatest Temple of Divine Light of the Motherland of Mu was the gigantic Golden Disc of the Sun. Before it, on an altar, which was a pillar carved out of solid stone, there blazed the eternal white Light of the crystalline Maxin Flame, the Divine Limitless Light of Creation. About 30,000 B.C. the Maxin Light went out on the Altar because of the evil of some of the priest-scientists of Great Mu. The Sun Disc remained in its shrine, however, until the time of the final destruction and submergence of 10-12,000 B.C.

As we said before, this Disc was not merely used as an object of adoration, nor was it the symbolic representation of our Solar Sun. It was also a scientific instrument, and the secret of its power came originally out of the dim past in the time of the Elder Race. In part, it was an object of adoration because it served in ritualistic temple services as a focus or point of concentration for those meditating. It also served as a symbolic representation of the Great Central, or Cosmic Sun, which, in turn, symbolizes the Creator. As a scientific instrument it was used in connection with a complex system of mirrors of pure gold, reflectors and lenses to produce healing in the bodies of those who were inside the Temple of Light. Indeed, that is why it was called Temple of Divine Light. Besides all these functions, the Sun Disc was a focal point for concentration of a dimensional quality. When the Disc was struck by a priest-scientist, who understood its operation, it would set certain vibratory conditions which could even bring about great earthquakes and, if continued long enough, might bring about a change in the rotation of the Earth itself. When attuned to a person's particular frequency pattern it could transport this person wherever he wished to go merely by the mental picture he created. It was, therefore, an object of transportation.

The Golden Sun Disc of Mu was not made of ordinary gold, but was transmuted gold, and unusual in its qualities in that it was a translucent metal similar, evidently, to the “metal you can almost look through” of the UFOs.

Lord Muru brought this Disc with him when he journeyed to Lake Titicaca, and it was placed in a subterranean temple at the Monastery of the Brotherhood of the Seven Rays. Here, it was used not only by the students of life daily, but also by the Masters and Saints from the Mystery Schools throughout the world so that they might be teleported back and forth to sit in Council or to partake of some Transmission Ceremony.

When the Incas came to Peru, and come they did, for they were not native Quechua Indians, but came from a land across the Pacific, they established a highly spiritual society on top of the ruins of the great culture that had belonged to the Colonial Empire of Lemuria. The High Priests of the Sun of Tawantinsuyo-the name of the Inca Empire-built their Coricancha or Temple of the Sun exactly on top of an older structure dating from very remote times. From ancient records in their homeland across the Pacific they learned of the Golden Sun Disc of Mu and they knew it had been removed from the doomed continent and taken to a new land where Lord Muru had founded an Inner Retreat or Sanctuary.

Once in Peru, the Incan High Priests searched long for the Disc but were never able to locate it. However, when they had reached the place on the Spiritual Pathway where they could use the Disc to the benefit of all their people-the native, indigenous tribes they had amalgamated into an empire-as it had been used on Mu, then it was presented to them for their daily use in their Temple of the Sun at Cuzco.

The Inca Emperor at the time was a Divine Mystic or Saint, and he made a pilgrimage to the Monastery at Lake Titicaca, and there Aramu-Muru, as Spiritual Head or Abbot of the Brotherhood, gave the Disc to the Emperor. Several Brothers from the lake were directed to journey with him to the capital of the empire, Cuzco. Here the Disc was placed in a shrine that had been prepared for it, and it was secured with golden ropes as it had been held in ancient Lemuria. Even today, the holes through which these ropes passed can be seen at the Convent of Santo Domingo in Cuzco which is built on top of the Pre-Inca and Inca Sun Temple.

The Incas called their Temple of the Sun Coricancha, which means Place of Gold or Garden of Gold. This was because of the magnificent, solid gold, life-sized figures of men, animals, plants and flowers that were placed in a real Garden of Gold adjacent to the Sun Temple. But the priest-scientists called the Temple Amarucancha. On some of the stones at Santo Domingo today you can still see carved serpents (amarus) and that is the reason, they say, that some knew the Temple as Amarucancha, or, Place of the Serpents. However, that is not the real reason. Amaru is a form of Aramu, which is one of the names of Lord Maru. There are large snakes in the Andes which are still called amarus. Lord Maru's name concerns a snake because his title is similar to that of another world teacher, Quetzalcoatl, the Plumed Serpent of the Aztec Empire in Mexico. Therefore, the Temple of the Sun at Cuzco was named for Aramu-Muru, head of the Monastery at Lake Titicaca, for it was he who enabled them to have, at last, the Golden Disc in their Sun Temple. Within this greater Temple there were smaller temples or shrines dedicated to the Moon, the Twelve Planets (Stars), and to the Seven Rays.

The Brotherhood of the Seven Rays became the leading force in the spiritual life of the Incas, and they learned the use of the Disc from ancient records left by the wise Pre-Incas who were Lemurian colonists. The Disc remained in the Coricancha at Cuzco until word reached the priests that Don Francisco Pizarro

had landed in Peru. Knowing full well what was going to take place, sorrowfully they removed the Disc from the Cuzco shrine and returned it to its place in the subterranean temple at the Monastery. The Spanish conquerors never saw it.

On January 21, 1956, Beloved Archangel Michael of the Sun gave an address at His Retreat at Banff, in the Canadian Rockies. The following is an excerpt:

Many of the Temples used on Atlantis and Lemuria have been raised into the etheric realms. Some day they will be lowered again when man is spiritually ready to receive them. It has happened that one or more of the precious stones used in the construction of these Temples have been put in the hands of a High Priest or Head of a Spiritual Order where they form a connection with the Celestial Hierarchy. There are several dozens of the stones from My own Temple in the possession of individuals at various points on the Earth's surface today...

The Golden Sun Disc of Mu is one of the precious stones referred to by Lord Michael. And it was put in the hands of the Head of the Brotherhood of the Seven Rays, Aramu-Muru. The Disc will remain at Lake Titicaca until that day 'when man is spiritually ready' to receive it and to use it once again. On that day the Golden Disc will be taken out of its subterranean chamber and placed high above the Monastery of the Brotherhood. For many miles the pilgrims of the New Dawn will see it once again reflecting the glorious rays of the Sun. Coming from it will be an undeniable tone of purest harmony that will bring many followers of light up the foot-worn path to the ancient gate of the Brotherhood of the Seven Rays, and they shall enter the Valley of the Blue Moon for fellowship in the Father.

## **Sacredness of the Solar Discs**

The Golden Solar Discs hold the light codes of the living library of light at the level of the Greater Central Sun.

The living library of light is the creation story that we are experiencing. As we make the shift into the next root race and being our light in a body, multi-dimensional selves all merged as we become the Creator Goddess God.

We are creating Heaven on Earth in our body, our body of Light. Since the Solar Eclipse August 1st 2008 higher frequencies of light have been able to ground through those who are clear vessels, previously the Golden Solar Discs vibrated at the Central Sun creation codes.

As we unify and thereby vibrate at higher octaves of light so too do the discs as it is now possible for the higher light codes to come through us. Awareness of being in the Council of Light, remembering who you are and aware of other worlds and dimensions, all one with the physical earth world, no separation, only oneness is experienced as one goes deeper within to the stillness.

The Golden Solar Discs are beautiful to see on the inner and we each have one pulsating within us, we are the Golden Solar being illuminating Light.

The Golden Solar Discs are of very high vibrational, divine energy and aligned through the Greater Central Sun. They hold the codings of the Divine Plan and living library, Solar Beings and Prime Creator. They are in a higher dimensional frequency, and so at present not seen or felt if we are operating on

lower frequencies of fear. There are many of these worldwide that had been established from previous cycles, in the Andes, Himalayas and various other power places. Some were already active as we had personally experienced, once many years ago, living in the Himalayas, in one of their energy fields. It had completely transformed people, and it had activated me into more of my divinity and purpose in life.

Some Golden Solar Discs needed to be reactivated and other Discs that needed to be anchored at certain places. They are all connected with tunnels of Light into the Light Grid around Earth and through the Solar Grid that connects all the Golden Solar Discs.

They are in the etheric and their purpose is emanating divine love and oneness, helping humanity to awaken from their sleep into the illusion of fear and separation, and back into their own divine presence. When this happens within an individual they are at peace with themselves and all, and come from the love within, as it expands out to encompass all creation. No longer in separation, but awakened to the completion of their divine mission, which is the marriage of Heaven and Earth. We can only do this in our bodies and through our heart, which is the doorway to our multi-dimensional self.

The Golden Solar Discs are here to assist us to be the divine resonance of our true self, we are/I am a Golden Solar Disc.

The Councils of Light work with the Golden Solar Discs and many people are aware of themselves now as beings of light and operating in Councils of Light. We can access this more unified aspect of our self as we get clearer, and know who we are.

The Golden Solar Discs were used to align the Suns with the core of the Inner Earth Sun and maintain harmony in the last Golden Cycle, now as we return into the next Golden Cycle we are making the next step and embodying the Golden Solar Disc and light codes, illuminating in our physical body and Earth, we are the Golden Solar Disc.

Just like the Christ energy two thousand years ago anchored light into the core of the Earth and now as that light is released. We are the Christ; the light shines from within, as Christ said 'greater things ye shall do than I have ever done'.

This Divine energy works through the Light Grid and into the Crystalline Grids of Earth, just like we have acupuncture or acupressure points to clear blockages in the meridians, or polarity energy to open up the flow of energy within us. So too does this energy open up the flow of electro-magnetic energy around the Earth. This creates harmony and the life force flowing freely, that affects all humanity in a positive way. As they cannot sustain fear and all its associated negatives when the energy is flowing and aligned with the Divine Plan.

Not all individuals can go to the Himalayas and be transformed, but now this energy field has moved out through the grid work around Earth for all to experience the peace and harmony. As we are the Light Matrix as is the Earth, the crystalline grid of light illuminates through us and Earth. One...

The memory of the last shift in axis almost 13,000 years ago when Atlantis went down, as we moved into the Photon Belt was in fear. We were experiencing our will in disregard for Divine Will, so our vibrations could not handle the Light. We were also moving around the 26,000 year cycle at half way point in Leo, we are now coming into its opposite in Aquarius at the completion and into sharing and co-

operation in Divine Love. We had already experienced the Golden Age and our divine expression, at the beginning of the last cycle, and also the Bronze Age where we needed ritual to connect as the energies started to get denser. Then the Silver Age we lost the connection within, the Iron Age where the creator loses itself in creation. As Atlantis went down we became frozen in fear and the ice age began. Notice now how as we melt the fear in our hearts with love the poles are melting, we are one with the Earth. We are nearing the end of the experience the Dark Age or Kali Yuga, which has been full of fear and chaos. We have moved into the Golden Age again, through the doorway of our heart and love. Through our heart we merge all ourselves that have been fragmented in our journey through creation from oneness, as we now return to wholeness and our Divine expression.

This time we are completing not just one cycle, but three great cycles as we align through our Sun, the Central Sun and Greater Central Sun. We are moving into the higher light and becoming our solar self and doing this still in our physical body. We become one with our Light Body and complete our divine mission of the sacred union of spirit and matter.

There are twenty Golden Discs that are physical and were used in other cycles to keep the Divine energy aligned with the third density of the Earth. Twenty is the number of the marriage of Heaven and Earth, Spirit and Matter, where we can be in the world of form and non-form as one, in the world, but not of it. We are now in the 2000's and this vibration. Our Sun in this Solar System is also vibrating at the number twenty, as it operates at the twentieth plane. The Sun is also the merged God/Goddess, male/female and not just male, there is a Sun Goddess called Sol in mythology also. The Sun is actually a mass of Divine Light Beings, and the Light of the Sun gives us life.

Then we have a greater solar system that ours is only a tiny part of, the Central Sun and Golden Beings. This again is a tiny part of an even greater system and its life giving Sun, the Greater Central Sun.

It is now time for us to connect within to our source and Solar Self. Become aware of the Sun within your heart, a radiant golden ball of divine light. Feel and sense and be open to its love, joy and warmth.

As we are now enter the Golden Cycle and into alignment with our Solar selves once more, we are now becoming conscious of the Golden Solar Discs, and the energy they emanate, we are a Golden Solar Disc. Their full activation is to assist in a transition of cycles, this time without fear, but in Divine Love and into 4th and 5th Density. The Golden Rays penetrate through the Maya and are grounded in our third density arena. They permeate through the dense level of fear and anxiety that has been in the lower planes. This will create a transformation of humanity that is on greater divine levels of Love and Peace than has been previously experienced on third density transiting to our fifth dimensional light being self in our physical body.

In Peru is one of the Golden Solar Discs, it had come from Lemuria just before the cataclysm that erased that amazing civilization. A master was guardian of this Disc for a long time, and the Incas used it as they were aligned with its energy through the Central Sun, and worthy to use it. It was at the Temple of the Sun in Cusco. Cusco, 4,000 meters up in the Andes, it self being a sacred place, for after the great flood that submerged most of the earth, two starry beings came down to the Island of the Sun in Lake Titicaca. They had a golden rod, and wherever that could be put into the earth would be sacred, and the beginnings of a new expression of humanity on Earth.

This place was Cusco which is the umbilical cord of earth. When the Spanish invaded in their lust for gold and power, they plundered the temple of incredible gold and silver sacred objects. Melting them down, and destroying the great temple and other buildings, to build their churches and town. They never found the Golden Disc, and to this day it has never been found. Some think it is under Cusco, in a network of tunnels that the Incas made from the Temple to Sacsayhuaman in the hill above Cusco, and other such places. There is even mention of a tunnel all the way to Ecuador which was in their Kingdom.

On the 24th June each year a luminous glow is seen from the tunnels beneath Cusco, as presence of the Central Suns glow for humanity. Now that Lemuria is once again rising, and all the cycles and civilizations merging, we are awakening to the presence of the Golden Discs through the Central Sun and our Solar selves. The discs are becoming once again free to vibrate in divine love and light, as their energy pluses through the network of light around, and through the Earth.

We are at the precipice of a galactic change in cycle that is far greater than just the new birth of the Sun in our Solar System. The Sun and Solar energy is radiating to and through Earth like never before as our Sun aligns with our Inner Earth Sun, Central Sun, and through to the Greater Central Sun in alignment with all. This is a major event and the reason why so many of us who are taking responsibility, and honoring and trusting our heart, are following our calling. Our Solar self illuminates us and carries us through our pain, and fear to reunite us with our source and the Infinite Creator.

In 1997 we were ready as a collective consciousness to open to the light codes of the Living Library of Light more fully after much anchoring of light on the planet by light workers through the grids and vortexes previous to this. At Tiwanaku high on the Andes Plateau that was once at sea level, the great civilization with pyramids and temple vortexes and dimensional doorways, the Solar Grid was anchored in October 1997 and so the light codes at the level of the Central Sun we now able to illuminate around the Earth in the Solar Grid.

Over the years as you can read below, we have come to the point where the Golden Solar Discs are everywhere in each of us and through all creation now anchored into the third dimension since the Solar Eclipse 1st August 2008. As the higher light codes opened up through our full presence as golden light beings through the Greater Central Sun. The Inner Earth Sun merged through the great vortex of Lake Taupo New Zealand with the Golden Solar Disc as the light illuminated through to the Sun in the Inner Earth one with the Golden Solar Disc. The light illuminated one with the Golden Solar Disc within us and the light has merged more fully than ever before on the physical plane. This energy has rapidly intensified over the last few years.

On the September Equinox 2006 the Golden Solar Discs were anchored through the fifth dimension of humanity. This means that the living library of light the Golden Solar Discs hold can now be accessed by us, in our fifth dimensional body which is what we are becoming now. As we become the Golden Solar Disc, holder of the living library of light, creator goddess/god.

On the Gemini Full Moon November 24th 2007 the light codes were anchored onto the Fourth Dimension. This means that duality has unified enough for us, if we choose and are clear and open to receive the living library of light codes into our astral and emotional bodies.

It was not until October 2006 that we were made aware consciously of the Central Golden Solar Disc which is in Southern India at the Mysore Palace.

Now as we have opened the Eleventh Gate through the 11:11 and moving into the Galactic Centre and everything has speed up incredibly we are past the point of worrying about what some may or may not handle as humanity has been given so many chances to open up and its happening regardless as it is a cyclic thing (we cannot stop night and day), we have been very fortunate to of been given so much grace and time to integrate and be open to the incoming light. We are now moving beyond duality and negative positive...all just is and it's all beautiful if we surrender into divine will and plan and allow in peace and stillness.....

On the December Solstice 2007 the Golden Solar Disc was activated within humanities hearts, as we are the Golden Solar Disc.....

The connection with the Inner Earth Sun is important now as we go deeper into outer self and the stillness we connect deeper into the Earth, as we are one with her and our connection illuminates the Inner Earth Sun as it brings harmony within the Earth and balance. This means the necessity for major earth shifts is not necessary as we are in the Centre of our self/the earth and we have moved into the higher dimensions. The Inner Earth Sun has merged with the Central Golden Solar Disc in Mysore Palace and the alignment through the Light Ships and Galactic Federation around Earth is in a holding pattern to allow balance as we make the shift. As on the Solar Eclipse 1st August 2008 the Inner Earth Sun merged with the Golden Solar Discs as they were recalibrated in higher light codes and a great shift occurred with the 888 in the middle then the Lunar Eclipse 17th August 2008 where the love and oneness higher light codes integrated through our hearts. At the September Equinox 2008 at places of the New Earth the Golden Solar Discs opened up the codes of light for the abundance of the New Earth that is manifesting as we co-create Heaven on Earth. As the old energies leave the new energies come in. This is happening now very fast as a collective and individually and personally as well.

As of October 2012 the GOLDEN SOLAR DISCS were fully absorbed into the third Dimension on the Aries Full Moon 30th September 2012 and we were told the Golden Solar Discs have been absorbed now into us all. So everyone can now access the Golden Solar Disc within and co-create the New Earth, if they choose.

Now that Lemuria is once again rising, and all the cycles and civilizations merging, we are awakening to the presence of the Golden Solar Discs through the Greater Central Sun, Central Sun and our Solar Self. The discs/we are becoming once again free to vibrate in divine love and light, as their/our energy pluses through the network of light around, and through the Earth. There are other Golden Discs that are now being activated at the Island of the Sun, Lake Titicaca, Bolivia, in Egypt the Golden Solar Disc there at the temple of Horus, at Abu Sir, the RA connection, in the Himalayas at Himachal Pradesh, Mysore and Tibet, in the south England, central Australia and other locations. Some of these have been dormant along time, others were always active, like in the Himalayas, and being in their energy field creates great shifts in consciousness.

We are one with the Sun and have within us the Golden Solar Disc as well. We can anchor our own Golden Disc within our Hearts and bring in that energy at any sacred place. Which also means our own backyard or home, as all the Earth is sacred, we are now able to not just travel to these power sites but anchor that energy wherever we are. As we connect through our own inner Sun in our Heart, the Inner Earth Sun, as our Earth becomes a Sun, just like us, our Sun, the Central Sun and Greater Central Sun. Allow yourself to be in this energy, in your true presence.

When we work consciously with the Golden Solar Discs we are also working with the Councils of Light consciously, so you know when that is so.

It is now time for us to connect within to our Source and Solar Self. Become aware of the Sun within your heart, a radiant Golden Ball of Divine Light. Feel, sense, and be open to its love, joy and warmth. As we are now about to enter the Golden Cycle and into alignment with our Solar Selves once more, we are now becoming conscious of the Golden Solar Discs and the energy they emanate, we are a Golden Solar Disc.

Their full activation is to assist in a transition of cycles, this time without fear, but in Divine Love and into the Fifth Dimension.

The Golden Solar Discs are of very high vibrational, divine energy, and aligned through the Greater Central Sun. They hold the codings of the Divine Plan and living library, Solar Beings and Prime Creator. They are in a higher dimensional frequency, and so at present not seen or felt if we are operating on lower frequencies of fear. Placed all around the world as we have worked with them, there seemed to be countless Golden Solar Discs, some big and working with major bigger picture events. Some more localized for an area to uplift and awaken those in its energy field once it had been activated.

The activation can only be done through divine will, not ours and so in divine timing we go to the location and the disc gets activated as we meditate as a golden being in the Council of Light and aware of the Golden Solar Disc within our own heart. Once it's activated aware of it linking through the solar grid to all others discs worldwide.

## Sacred Encounters at Lake Titicaca

From Oct 18-25, 2008, people traveled to Bolivia to participate in a seven day retreat led by **Luis Fernando Mostajo** that was located at Lake Titicaca, Bolivia. Fernando claims to have physically met with representatives of both the Confederation of Planets and with 'Elders' or 'Ascended Masters' associated with an *ancient Pre-Incan civilization in the Andes*.

In his taped presentation at the *2008 Earth Transformation Conference* in Hawaii, Fernando described his physical encounters with members from both of these groups. According to Luis Fernando, the *Confederation of Planets* has bases on both Venus and Ganymede, one of the moons of Jupiter.

He says he was taken to both locations by a teleportation device and exposed to the teachings of advanced ethical extraterrestrial visitors. In both cases the *extraterrestrials looked like Nordic humans*.

**Ruins of Tiahuanaco**

Luis Fernando says that during one of his encounters he was told by the extraterrestrials of the existence of a retreat run by 'Elders' at Lake Titicaca. The Elders were from the pre-Incan 'Tiahuanaco civilization', and were also the final remnants of the even older Atlantean civilization.

The Elders were also part of a Great Solar Brotherhood that was an association of 'Ascended Masters' – or beings that had achieved a high degree of self-mastery over life and death - throughout the Galaxy. Fernando says that he subsequently physically met with 'Soromez' an 'Elder' or "Ascended Master" from Tihuanaco who had also lived much earlier in Atlantis.

Luis Fernando was taken to an underwater location at Lake Titicaca where he witnessed a well preserved remnant of the Tiahuanaco civilization that served as an initiation center.

Tiahuanaco once pervaded the Bolivia region of the Andes and was a Solar culture that was, according to Fernando, aided by extraterrestrial civilizations. In his 2008 Hawaii presentation, Luis Fernando showed simulations of the solar rituals and practices that used solar energies in numerous ways. He described that underwater remnant of Tiahuanaco at Lake Titicaca (in the Bolivian 'minor' part of the Lake) as an Eternal city holding much sacred wisdom that would share this as humanity became ready.

During the seminar, participants were taken to a number of locations around Lake Titicaca, the Andes, and the archeological remains of the Tiahuanaco civilization near La Paz, Bolivia. We were all excited by the remnants of the Tiahuanaco civilization which available evidence clearly pointed to being an important pre-Incan Solar culture.

The elongated human skulls in the museum pointed to an extraterrestrial influence insofar as their physiology appeared to have been emulated by the inhabitants of Tiahuanaco.

A number of important ceremonies and rituals involving the sun were evidenced in the ruins, and displayed a remarkable knowledge of astronomy and solar alignments. Furthermore, there was a very sophisticated irrigation system and other technological artifacts that were possibly

influenced by extraterrestrials as Luis Fernando contends. The Tiahuanaco civilization according to a number of Bolivian archeologists predates the Sumerian civilization. Only 10% of Tiahuanaco has been excavated so far and further excavations may lead to a radical rewriting of human civilization.

The most remarkable part of the seminar was the retreat established by Fernando on the shore of Lake Titicaca called *Wiñayamarka* [near Huarina, located on the 'minor' part of the Lake – [see map far below].

At *Wiñayamarka* he led a number of exercises and initiations at specially constructed monolithic structures and temple. Participants were able to energetically integrate into the remarkable energies in this spectacular and remote Andean location. During the evening sky-watching event, a number of UFOs were sighted. One in particular flared up in spectacular fashion, and another held for several minutes an almost stationary position where it appeared to blink energy which a number of seminar participants felt.

The highlight of the retreat was a boat trip on Lake Titicaca where the retreat group was taken to an uninhabited island which according to Fernando is the closest physical point to both the *Lake Titicaca Lodge of the Great White Brotherhood* and a *Galactic Confederation Base*. The proximity of the bases belonging to the *Ascended Masters* and the Galactic Confederation are due to their close cooperation. At the Island, a number of exercises were conducted which allowed visitors to energetically connect with the ascended masters at the *Great White Brotherhood Lodge*.

Luis Fernando has assembled an impressive collection of photographs and witness testimonies supporting his claims of physical contact with Ascended Masters and extraterrestrials belonging to a *Confederation of Planets*.

Some of this can be found on his website at: [www.winaymarka.org](http://www.winaymarka.org)

The seminar and initiations that were experienced with Luis Fernando, and the interviews with his assistants, give us confidence in his claims. People are looking forward to further journeys to Bolivia where further investigations of his remarkable experiences can be had.

What follows is an interview with Luis Fernando based on a series of questions that were asked of Fernando during the visit to Bolivia and his responses concerning his contacts and knowledge of *Ascended Masters* and the *Confederation of Planets*. His responses were translated from Spanish.

**Interview With Luis Fernando Mostajo Maertens**  
by Michael E. Salla, Ph.D.

**Acronyms**

**L.F.** - Luis Fernando Mostajo Maertens (pictured above on left)

**M.S.** - Michael E. Salla, Ph.D. (on right)

**M.S.** You have established a retreat at Lake Titicaca called *Wiñayamarka*, what was your main purpose in doing this?

**L.F.** The extra and intra-terrestrial contact experience which I initiated since 1977, left a great responsibility in my hands, the same which is oriented to the sharing of the essence of the message that I shall receive in the different opportunities in which I physically was with the Extraterrestrial Guides such as the *Guides of the White Brotherhood*. A message directed to Hope and Alternatives.

Of Hope due to the fact of having had contact, for this suggests to us, that there are civilizations that have overcome the problems found in the environment in which we live, for us as human beings can do it. On the other hand of Alternatives, for the way we can overcome the actual conflicts of our society, is learning to reorganize the way in which we think, feel and act, giving back to men the capacity to finally reveal their past, understand their present and consequently plan their future.

To all this process of teaching and learning the *Extraterrestrial Guides* and the *Guides of the White Brotherhood* have called INTERIOR PREPARATION, a lot of experiences and knowledge that have started generating nowadays in specific places, predestined since before to live this preparation and initiation in the luminous path of knowledge and love.

The Minor Lake of the Lake Titicaca is a very important part of a Continental Platform constituted by a network of physical places in which the Elder Guides and the Extraterrestrial the *External Retreat of the Internal Government of the White Brotherhood* are located.

So that this External Retreat is a kind of prelude to meeting with the wise Amautas and the extraterrestrial Guides, a good place to prepare for initiation and solar awakening.

*Wiñaymarka* was the name suggested by the Guides and this name in the Aymara language means *Eternal City*.

**M.S.** You refer to *Wiñaymarka* as an externalization of an inner *retreat* or 'lodge' at Lake Titicaca established by the Great White Brotherhood, why is that?

**L.F.** When we talk about the exteriorization of the Great White Brotherhood (*The Externalization of The Hierarchy* ???), we must understand that all of us are related within this process of awakening and transformation, with a higher or lower level of consciousness. The important thing here is to realize the role that each of us has to play as a human being, assuming the responsibility of our own destiny, finally accessing an evolutionary level which allows us to participate actively in the *Cosmic Plan* of which the *Guides of the White Brotherhood* and the *Extraterrestrial Guides* form an essential part.

The *Elder Guides* showed me that during this time of the transformation of humanity, these places that have always been predestined, should become intermediate points of contact between them and different preparation groups worldwide.

So that the frequency and vibration levels lead to greater participation and accessibility for most that are eager in their own tasks, waiting in silence for the call, and awakening in the interior of this Luminous Circle which is in itself the *Great White Brotherhood*.

**M.S.** You have said that the Great White Brotherhood moved their lodge from the Himalayas to the Andes and Lake Titicaca after the Second World War. Why did this happen?

**L.F.** The cosmic energy is neutral in general, more when it enters the planet it acquires and decomposes into two polarities, the feminine and the masculine, positive or negative.

The positive or masculine energy is concentrated in the mystical and millenary Himalayas of the Tibet, that is why for millennia, a great part of the ancestral knowledge and wisdom has been transmitted to humanity, however and according to my contact experience with the Guide *Soromez* at Lake Titicaca, a little before the China invasion to Tibet, in the 50's decade, this initiation activity was transferred to the Americas, and within the Americas along all the width and length of the Andean Range, and within the Andean Range, particularly to Lake Titicaca, where the Female cosmic energy polarity is hooked.

The fact that the activity starts to center in the feminine quality of the energy represents the beginning of the awakening of the sensitive and spiritual part of humanity.

**M.S.** You claim to have physically met with *Soromez*, one of the Ascended Masters at Lake Titicaca, and to have been to the 'Eternal City' or underwater retreat, can you explain what happened?

**L.F.** After a great process of preparation and even of physical contact experiences with the *Extraterrestrial Guides*, in 1984, just when I happened to be in the middle of an inter-

dimensional trip in the city of Orea in Siris - Venus, I was told about the existence of an Interior Retreat very close to the city I live in, La Paz - Bolivia.

Etel, the Venus guide manifested to me that in Lake Titicaca we could find the process of the awakening of men and that my mission in return, reflected the need of getting in to contact with the beings that live in the Retreat. It was the same Extraterrestrial Guides who told me for the first time about the existence of the Great White Brotherhood and the relation that they would have with the Elder Guides of this marvelous Interior Government, within the carrying out of the Cosmic Plan on Earth.

As I had been forewarned, in the beginning of June of that year (1984), he contacted me through a holographic projection in my own home, an elder guide called *Soromez*. He manifested living in the Interior *Retreat of Lake Titicaca*, known as the *Solar Retreat*. The Elder Guide was the messenger and guardian of an extraordinary information related to the real Story of Humanity but at the same time of knowledge and wisdom referred to the conscious management of the energies as well as the knowledge of the facts of the establishment of a new time.

It was a lot of new impressions that I began to receive, but in that first encounter the most extraordinary thing was that I was invited to physically enter the Internal Retreat, in the third week of June, during the winter solstice.

For this extraordinary journey, I was given coordinates and specific guidelines for moving up to an island in the middle of the Minor Lake where I would be waiting and where I was able to discover later passages that connect to the same Solar Retreat, a sort of beautiful building, similar to the golden age of the Tiahuanaco culture.

I was contacted by the old masters who appeared there, rather than an individual founder. I learned later that many of them are direct descendants of a more ancient civilization known as Atlantis, builders of Tiahuanaco.

At this very important meeting, my vision and responsibility changed completely.

The *Elder Guides* had asked me to create an intermediate meeting and contact points that initially would be known as Centers of Light. The most important stage of the fulfillment of the mission would be to form External Retreats, a kind of externalization of the Internal Government. Places where the activity taking place in the Internal Retreats, would start to be reflected in the External Retreats, as is already happening within the so-called Interior Preparation.

Furthermore, a real initiation process within the Great White Brotherhood aimed at the sharing and handling of tasks to groups on Earth worldwide, would fulfill the process of transformation and pass on wisdom and truth to the new humanity.

**M.S.** Why do the Ascended Masters at Lake Titicaca wish for people to travel to there and receive a 'Solar Initiation' at *Wiñaymarka*?

**L.F.** *Wiñaymarka* as we commented, in the Aymara language means Eternal City, *Wiñaymarka* is also the name of the Minor Lake. The interesting thing of all this is that the same geologists say that the Minor Lake might have been formed in an *artificial manner*, something that in contact with the Guides and the extraterrestrial Guides was confirmed.

Thousands of years ago the Minor Lake was created in an artificial manner protecting and guarding in a mundane way the Major Temple or the Solar Initiation Center that back then was the hub and capital of the Mayan Empire. This great center of initiation was protected for posterity, for in it you can find, as I was able to show in 1984, a marvelous spiritual tool known as the Solar Disc. The *Solar Disc* is a sort of enabler that was created by the Great White Brotherhood and the Extraterrestrial Guides who are permanent within the radius of action of the Interior Retreat of Lake Titicaca.

The Disc would help the initiate in the discovery of his/her own mission and in the “redimensioning” of their body.

The being inside the radius of action is such a potent level of energy, helps implicitly in the awakening of the interior codes and levels, being itself the water of the Sacred Lake a conductor of these life programs for the New Time.

**M.S.** Can you explain why the Lake Titicaca Lodge of the Great White Brotherhood is so close to a Galactic Confederation base?

**L.F.** In Lake Titicaca you can find the Solar Retreat of the White Brotherhood, but also a great base of the World Confederation of the galaxy.

According to the communication and information received by the extraterrestrial guides, the relevance of the ships of Lake Titicaca, not only provides them a permanent interaction and coordination of the tasks with the Interior Government of the White City, but it will also help the strengthening of the cosmic energy in the epicenter of the same cosmic energy or feminine in this part of the planet. The energy of Love.

That is why the interaction of the contact groups in *Wiñaymarka*, the External Retreat is permanent with the Confederation ships, having landed on more than one occasion at the Temple of Solar Initiation, radiating special energies which happened to us recently Michael, in our journey [October 18-25, 2008].

**M.S.** In what way does traveling to Lake Titicaca to receive a Solar Initiation prepare one for open contact with extraterrestrial life? [see photo for 2008 ceremony]

**L.F.** Already, being here elevates our vibratory frequency. In this trip, as we have experienced the Solar Initiation, the lines of the possibilities of decodifying internal codes are facilitated. Thus constituting for each moment many opportunities for the consumption, revelation and the overcoming of stages, at the same time initiating new paths within the luminous path of realization.

**M.S.** You mention 2012 as an important date for humanity. Why does the *Great White Brotherhood* and the *Galactic Federation* view this date as important?

**L.F.** In the year 2005, after having lived a real UFO wave in all this Andean sector, the messages of the Guides and Masters were revealing. On one hand, they manifested that the cosmic energy in the Minor Lake had been completely activated and on the other hand, they anticipated that starting this year, we were starting to live the most crucial, defining and definitive seven years in the historical process of Humanity.

A time of great transformations, not only in the conscience and way of life of our society, but most important yet, it is a time of opportunity.

Opportunity of change, opportunity of awakening, of service, of integration and unity, OF COMMITMENT AND OF ACCOMPLISHMENT OF HANDING ON THE RESPONSIBILITY OF TAKING FORWARD THE LAST AND DEFINITE STAGE OF THE REALIZATION OF MEN TO THE SAME MEN, the confidence of the White Brotherhood and the World Confederation finally deposited on the Instructors and Earth Guides so that the zone would assume the definite transition of the planet towards its new evolutionary state.

All the prophecies conclude here, but at the same time a new hope is born with the final agreement of the existing bases of a New Humanity. The year 2012 the Confederation and the White brotherhood will be once again reunited in a new Council having to do with the *Incandescent Sacred Flame of Light of the Solar Disc* in Lake Titicaca and will be in the anticipated dates of the *great solar tsunami*, that in connection with our own Interior Sun we can be united and together say unanimously, as a prayer required to *God*, Mission Accomplished!

## The Solar Brotherhood of the Seven Rays

This discourse is about the *Ancient Lemurian bloodlines* of the **Aramu Muru**. A legendary bloodline that goes back many centuries to, terrestrial people known as the Aser, *the Elder race*.

This elder race cohabitated the planet along with the hybrid children of the Anunnaki, who have been here on the Earth plane for over 400,000 years (right: Images from pre-Anasazi race found in cave in Utah)

Lemuria is actually the name for the latter part of lands once known as, the Motherland of Mu.

The destruction of lands of Mu and its submergence was not a singular incident, but a series of cataclysms, which had their beginnings about 35,000 years BCE. After the initial devastation had its way, many of the landmasses that comprised MU were lost.

However much of the lands remained and would become rebirthed as Le-mu-ria.

Today parts of the Western coast line of the United States and Canada. From Mt. Shasta up through BC, Canada would be the lands that were a part of the original motherland of MU.

This would have been the northern most mountaintops' of Lemuria.

There is land in those islands, for instance Turtle Mountain on Orcas Island, which defies any type of testing science has attempted for determining its age. I have seen the scientists come and go for many years now.

There are tunnels located in the San Juan Islands that upon entering one could end up in Hopi Land, in Arizona. The Islands in and around the San Juan Islands off the Washington state coast going all the way up the coast lines of Vancouver Island, show obvious signs that the land was simply raised from the ocean floors some 5,000 years ago.

After initially three periods of destruction, what was left of Mu was rebirthed as Lemuria. However, there were a few problems, which developed.

During the periods of destruction, it became necessary for many of the Lemurians, and their Celestial relatives to remain underground for extended periods merely for matters of safety; as the Earth Changes were unlike anything known by a hu-man species before.

This is part of what caused such extensive development of the legendary underground tunnel systems, which do actually exist.

Help was sought from the factors that settled in Atlantis to deal with the large reptilian animals that overran the land, upon returning to the surface world. (right: Pre-Anasazi ruins Arizona)

The Atlanteans were a very scientific and intellectual people, with little regard for the natural laws of cause and effect. The Atlanteans were a Patriarchal society, and the Lemurians were a Matriarchal society, their philosophies as well as their perceptions being constantly at odds.

The Atlantaens were as well obsessed with the acquisition of ever increasing levels of power and control over nature, and if possible the Earth herself. This carries over into a blatant recklessness regarding their experiments.

Their attempts to harness the Earths energies, at one point caused a complete tear in the membrane of the Earths atmosphere itself.

This tare in the fragile living membrane occurrence was much like the ozone layer is behaving today, the membrane was spreading of its own accord, causing rips in the time space continuum.

This allowed for thin spots or holes as it were to appear in the membrane. Once it was realized what was occurring it was too late, there was no way to slow the process, as they had little knowledge of that kind of science.

Eventually there were leaks from the layers that separated the dimensions; allowing life forms from many different dimensional expressions to enter not only into the Earth plane, but also into all manner of expressions of life forms thereon, including humans, and animals that dwelled upon her.

The final breakup of the lands of Lemuria, occurred in and around the same time as the breakup of the Red Lands of Atlantis.

The Atlanteans continued to experiment with technologies to exploring the various uses of both Laser, and Nuclear energies, regardless of the laws of cause and effect. This further aggravated the natural order and balance of things

The consequences of their unchecked experiments, we know all too well. (right: Mayan glyph of Mayan K'cotal priest attending Atlantean Rocket)

Then around 10,000 to 12,000 years ago BCE the Atlanteans began experimenting with the core of the Earth itself, from within the inner

systems of tunnels that connected various parts of the planet. Tunnels that had been as we stated earlier constructed many millions of years prior by the elder race.

These experiments, which occurred deep with the Earth's core, would ultimately have disastrous effects.

As well, their unrestrained use of laser technology in the upper atmosphere was beginning to have effects of its own.

At one point what had occurred to the 'Light Membrane' by which consciousness itself could connect to this dimension, began to occur to the physical atmosphere, and Earth faced a total ecological breakdown. This caused the very clouds to literally fall from the heavens and usher in what is spoken of in the sacred texts as the great flood.

The atmosphere, the cloud cover, which had kept us for eons in a protective and prolific greenhouse environment, suddenly could not sustain itself and life forms transformed accordingly.

The clouds themselves collapsed, and the nature of the climate and the planet was now altered forever. The clouds would then become part of the Oceans of our water world, and their size would increase dramatically.

This sudden inflow of water from the sky caused the submerging of inconceivably large areas of the landmass. This type of cataclysmic activity also caused enormous stress on the tectonic plates themselves, which resulted in their breaking apart.

This would result in at least in part, the sudden disappearances of many land masses, and the shifting of whole continents, from one latitude and longitude of the globe to another; as we can see in the separation of Africa from North America.

Huge face of bearded man found on mountain side in Peru - age undeterminable.

At some point when the Elder Races realized the certain events were going to be inevitable, and the destruction could not be averted, it would be necessary to take drastic measures to save something, or lose everything.

No doubt there, were many meetings between the wisdom counsels that existed at those times amongst *the Elder Races* about what to do, or if anything could be done at all.

Everything that had been created; all the glory of millions of years of evolution was about to vanish from the annals of time. As well, they fore saw that this problem might spread throughout our solar system, perhaps even the Universe.

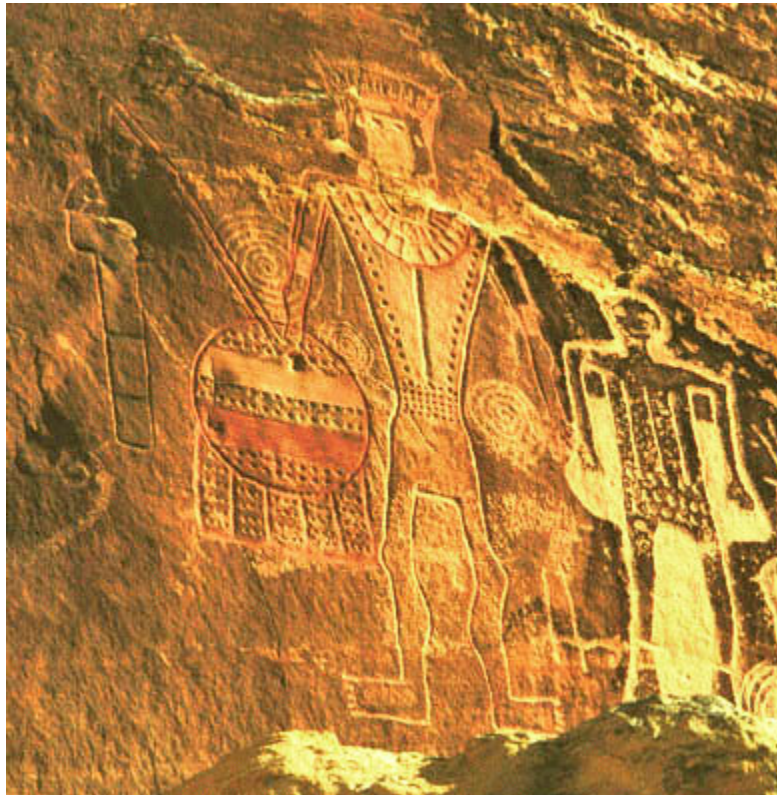

If this occurred the memories of untold millions of beings throughout the Galaxy could be totally wiped clean from the *Akashic Records*.

### **The Saga of the Lords of MU**

- Aramu Muru. (Serpentine Father)
- Aramu Mayu (Serpentine Mother)

The legend goes that just before the final destruction of Lemuria, Sanat Kumara, grandfather to the Solar Brotherhood assigned his heir Aramu Muru and 12 other "Serpentine Lords" to take the records and power objects of the Amaru to various parts of the world for safekeeping.

These beings were the hybrid children of the Annunaki and the Elder Earth race of the Aser.

Aramu Muru Kings, and their servants from the stars, depicted on rock wall in the American Rockies.  
Notice they had swords, Crowns, and armor (not very Native American), neither is the geometry

These groups or 'Rings' as they were called would later become known in our history as founding genetic lines or clans, with origins back to the 'Root Race' or the Elder Race, an *original Earth Race*.

These rings were placed in each culture.

### **Ancient Societies of the Seven Rays Solar Brotherhood:**

1. Nagas (Serpents in Sanscrit) of Indus (India).
2. The earliest Mayans and their first Serpent kings, Caramaya and Naga Maya
3. Later the Serpentine Kings Kukulcan and Quetzalcoatl creating the Itza Maya Culture of South America.
4. The Lung Dragons of China, and an interesting fact is that an ancient Chinese term for dragon was Naga.
5. Amarus and Con Ticci Viracocha of Peru.
6. The Zohar is said to have passed from Adam to Noah and then to Abraham, who immigrated to Egypt. The Zohar or the *Books of Splendor* – were the Original texts of

the Kabbalah. An earlier priest cult in Egypt was specifically formed to take care of the Royalty that went by the title of "Messiah" or Crocodile Lords, who also lay claim to the Adam or Amen (Sun King) as being their Kamara. The early Egyptians who built the pyramids were called the Naga, which may be due to the influence of...

7. The Olmec returning to North Africa from the lands of the Maya.
8. The Azteca who absorbed the cultures and religions of Meso-America had the goddess Coatlicue she wore a skirt of snakes, she is often depicted as having two dragon heads.
9. In the mythology of Sumeria the goddess Tiamat in her fury would destroy all who challenged her. All that is, but the Babylonian sun god, Marduk. In a celestial battle which took place in the heavens, Marduk slew Tiamat. Then, from Tiamat's dismembered body, he fashioned the heavens and the earth. From her dragon's blood Marduk created man.
10. Nidhogg is said to be the Dragon Father of an underground world known by the Norse as Niflheim.

The other 'Rings,' are unknown, (although not entirely) and have been lost to Myth and Legend. Possibly they are in the North lands

(I will predict the evidence of such a civilization will be found by the first generation born to the 21<sup>st</sup> Century; as well the rediscovery of lands around the North and South Poles that will reemerge not only into our conscious awareness but actually be physically rediscovered.)

Other truths embedded in the labyrinth of Mythical Legends such as:

- Methusala who was brought into the order of dragon priests as a youth which accounted for his extremely long life. The order of Melchisedec, was rumored to have many dragon lords.
- The mythical Merlyn of Arthurian legend became a dragon wizard in his twenties and probably became a dragon lord. His most powerful magic drew from the Earth's own life force through the symbiotic relationship with the dragons of the underworld. Remember it was this same Merlyn who made the embracing of the New Christianity, by the **Druid** official with the Marriage of Arthur to Quenivere.
- In Native American mythology there was a council of dragon priests that convened in the Black Hills area of the Dakotas a thousand or so years before the return of the younger brothers and the age of conquest. Their council dispersed teachers, throughout the Native nations to activate certain ancient ceremonies.
- Their mission to the tribes was to establish a wise and prudent relationship that fostered a sustainable ecology; along with a stable social and intertribal Spiritual structure that respected the ecosphere, and considered seven generations with each action one took in their lives. The behavior of the ordinary actions of the tribes were often monitored by 'Thunder beings,' a powerful **Draconian force** that interacted with the Earthlings through the two horned and one horned priests that came from the heavens in flying orbs of light.
- European Royalty also seems to have their share of '**Secret Dragon Societies**,' one being the Dragon Sovereignty, known as the 'Rex Deus' fraternity. The Rex Deus was formally created by the Holy Roman Emperor **Sigmund**, having its origins with the Knights Templar during the 12<sup>th</sup> Century. It is the story of the Knights Templar, and a behind-the-scenes society called the Priore de Sion, and its involvement in reinstating descendants of the Merovingian bloodline into political power

- They lay claim to the bloodlines of Yeshua ben Yoseph, otherwise known as the **Bloodline of the Holy Grail**. Later in Scotland the Royal House of Stewart also made such claim to the Holy Grail bloodline. There are records that affirm the fact that the bloodline entered Britton through Yoseph of Arimathea, and James, brother to *Jesus* (Yesus) ~*Sananda*, who came to Glastonbury, along with the children of Jesus and Magdalene. (Sir Laurence Gardner, Bloodlines of the Holy Grail)
- One thing that has to be taken under consideration with this tale of the Bloodlines of the Holy Grail is that many historical documents do exist to support it. It is no longer a question of concocted myth. There is one problem with Europeans, a problem which has continued since the first arrival of **Columbus**, nothing exists beyond their scope of perception, has sanctioned historical beliefs. Beliefs which have continuously been found out over the centuries to be contrived, and heavily edited translations of what actually occurred.
- In future presentations we will explore the sacred books of the Inca and the Maya such as the Chilam Balam, which speak of *the Christos*, and the ancient brotherhood. As well make continuous references to their having been a very real Pale Prophet
-  One might put themselves at ease about this matter, if they took the time to find out that there was no such a term as '*Christian*,' until the term was created by the Emperor Tiberius Claudius Caesar Augustus Germanicus, at Antioch when he needed to name the group responsible for the revolt in Syria, that was going on. In that time the first church called '*Christian*' was formed by Peter the Apostle in 37 AD. Prior to that the followers of the '*Radical*' teachings of the Nazarene were looked upon as and called '*Jews*' and their symbol was Essene.
- The symbol of the Fish , was actually a symbol that linked back to the '*Fisher Kings*,' and the ancient brotherhoods of the past. The ancient mystery schools which **Yeshua** was a part of. The fish symbol is very old and has been used for millennia worldwide as a religious symbol associated with the Great Mother Goddess. This simple design  was easy to draw and used by early followers of the teachings of the apostles, the ancient Nasorean '*Way*' of **Yeshua Ha Mashiakh** (Jesus the Messiah) before there was a formal '*Church*' established at Antioch, by Peter. There were two branches of Essenes - the Ossaeans and the Nasorean. The southern Ossaeans were known as the B'nai-Zadok, or "*Children of Zadok*." The northern Nasorean were known as the B'nai-Amen, or "*Children of God*.")

## Returning to the Saga of The Aramu Muru

**Aramu Muru** in the final days of Lemuria established the Rings of each of the Children of the Sun. With each individual Ring there was then appointed a circle comprising of 13 priests, and 13 priestesses, one head figure became the elected symbolic spiritual leader or Aramu.

*Aramu Muru* for the men and *Aramu Mayu* for the women; and thus began the *Legends of the Ring Lords*.

Each Ring that was chosen was then instructed to take their records of ancient wisdom to their respective regions and hide the items at specific locations, deep within the chambers of ancient mountains; until it was the time of the Awakening!

These individuals were faithful in their belief, and wise in their understandings of the original teachings.

Each had been close to the great and wise Sanat Kumara, the Kumara, the father. (Not as in Father God, rather oldest remembered Relative. The First Kumara the *Aten-Adama*.)

Later, it is recorded that a similar event occurred on Atlantis with certain descendants of these original serpentine lords, '*the Sons of One*' who were chosen to take the Atlantean records and teachings to the delegated pan-Atlantic territories.

They established several colonies, among these locations were,

- the School of Pythagoras
- the Temple of Delphi
- School of Amen, Egypt, where the well-known Emerald Tablets were said to be amongst these ancient records brought there, and buried beneath the Sphinx

It is said that later, after the decline of the society in Egypt, the Emerald Tablets were taken from their resting place by non-other than Nefertiti, Queen to Akhenaten who was a Kumara and schooled in the *Brotherhood of the Seven Rays*, to the Halls of Records in the Yucatan.

There they remain waiting to this day in safe keeping!

Akhenaten, Queen Nefertiti, and their daughters, seated in front of the great Solar disk of the Brotherhood of the Seven Rays, the Sons of One on Atlantis. Rebelled against the whole of the Priesthood of Amon, stating there was one supreme God, Aten- Adama

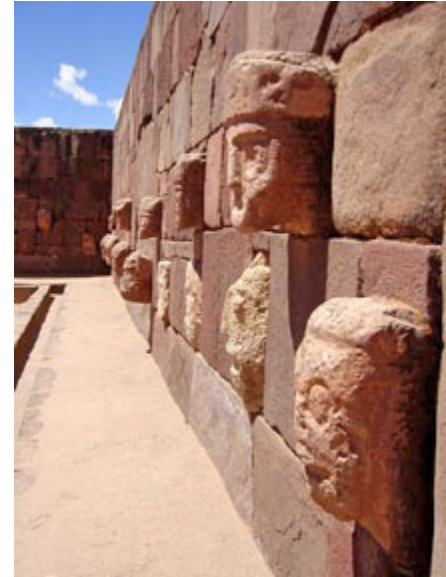

**Akhenaten** received his teachings in the Brotherhood of the Seven Rays, in a secret school that is known to be in the Andes Mountains. (which is why there are so many archaeological artifacts here in the Americas, that show a direct connection to Egypt)

There are those that hold to the belief that this school was the ancient university of Machu Picchu, others argue that it was Tiahuanaku, the famed city of the sun. No records oral or otherwise have survived which designate which location it may have actually been. Perhaps those records are still to be revealed.

These records were to remain in cloistered solitude, until there was a sign was to seen in the heavens, a sign that would be unmistakable, and born of Source itself, telling those who remained true to the original covenants and teachings that the brotherhood would begin the process of awakening.

That sign in fact was realized, and scientifically documented, though perhaps unknowingly, by the **SOHO-LASCO Satellite** in April of 2001.

The long slumber of the indigenous masters and the process of mankind awakening from their sleep of forgetfulness was at long last over, and the process of 'the Awakening' had begun.

The Great Solar Cross - As it appeared in the Heavens  
SOHO- LASCO photo taken in April of 2001 (NASA)

The descendants of this *original Solar Brotherhood* established by **Sanat Kumara** have become known through recorded legend and Myth as **the Kumara**. In European mythology, they are *the Great White Brotherhood*.

It is said the *Sanat Kumara* himself is the direct descendent of the original Kumaras who came along with the Hathors, to Earth from Venus.

The Adepts known as the Kumara, were and remain a highly mystical order of the Great Solar Brotherhood. The term Kumara has in our contemporary understandings come to mean "the androgynous serpentine beings." Although it translates more accurately to '**Father**,' those of the Elder Race.

You can find references to the Kumara the shining ones, in the Hindu *Puranas* where they are described as being the first teachers of Tantra Yoga on the Earth, and the descendants of **Ti** and **Tiye**. As well there are numerous references to 'the shining ones' (**Elohim**) in the Bible and the Koran.

The Theosophists having their roots in and foundation teachings of the likes of Helena Blavatsky, Alice Bailey, and Krishnamurti, who refer to the Kumara as their beloved founders. The Theosophists also claim that **Sanat Kumara** himself has remained on Earth for thousands of years, as an Ascended Master.

In the lands of the Naga Maya these serpentine priests of the Kumara became known as the Quetzlcoats or Kukulkans, later the Azteca would call their Emperors the Montezuma's (image right is Mayan).

Then we have the Djedhi (the "Stable Serpents") of Egypt with their lineage of the "Messah or princes of the Crocodile kings, the Druid Adders of Britain, and the Dactyloi of Greece.

It is interesting to note that wherever these Kumara Priest Kings, Priests of the Dragon Lords born of Lemurian and Atlantean cultures; they built temples aligned with our sister planet Venus the bright and morning star and the planet itself became associated with saviors and the immortals.

In the Bible says:

"I *Jesus* have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star"

**Revelation, chapter 22, verse 16**

The *Pale Prophet*, Quetzalcoatl, told those who followed his teachings that he would return after 'Five full cycles of the Morning Star.' (Chilam Balam)

The Morning Star is of course Venus, which plays a very big part in Amerindian Spirituality of the Americas.

The Venus Calendar is the main factoring equation upon which all the Incan, and Mayan and Hopi Prophecies are calculated.

(Contemporary Christians must read through the myriad of versions of the New Testament, which make claim to be the 'True' teachings of the *Christ*. They must endeavor to find the 'Root,' or the 'Original' meaning of terminologies from the original texts.

Keeping in mind that the first texts were themselves interpretations of the original Aramaic tongue, transcribed into Greek. The Roman's then took those texts and transcribed them into 'Common Latin.' and the editing has continued unto the present. Each generation losing some essence.

There is a way that this can be accomplished with direction. Read the KJV (King James's Version) and follow the transcriptions to them meanings in 'Webster's Dictionary-Unabridged.'

Good old King James realized that the Hounds of Rome were upon him and thus created a way that the original texts and their meanings would not be lost to future generations. Now you know part of the secret! You do not have to listen to someone else's translation.)

The prophet Daniel recorded his vision of Sanat Kumara, whom he called "the Ancient of Days."

## Book of Daniel: Chapter 7

"I beheld till the thrones were set in place, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool. His throne was like the fiery flame and his wheels as burning fire. (His chakras.)

"A fiery stream issued and came forth from before him. Thousand thousands ministered unto him, and ten thousand times ten thousand stood before him.

"I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they (members of the Brotherhood) brought him (Jesus) near before him.

"And there was given him dominion and glory and a kingdom, that all people, nations and languages should serve him. His dominion is an everlasting dominion, which shall not pass away, and his kingdom that which shall not be destroyed."

And so, not only does Daniel foresee Sanat Kumara, the Ancient of Days, but also he sees the son of man (Jesus) manifest before him, as He (Jesus) is embraced into the Brotherhood of the Seven Rays.

The Sacred texts tell us that Aramu Muru himself became the first Solar priest king of the Incas and was thereafter known among his adopted people as Manco Kapac. Ka-pac.

This means "spiritually abundant" or "keeper of the Serpent Wisdom".

Interesting is that in the down line of these serpentine Priest- Kings and their Royal Lineages there seems to have denoted subtlety the connection to their serpentine wisdoms by including the K sound in their names, such as Kumara, *Christ* (pronounced Krist), Krishna, Kukulcan, Amarushka, K' Cotal)

## The Solar Disk

Following his coronation ceremonies in Peru, **Manco Kapac** took one of the power objects stored within the Temple of the Seven Rays, the great **Solar Disc**, and hung it within the main temple of the Incas, the Intiwasi, which was built in Cuzco, Peru.

This Solar Disc had previously hung within a temple of the Brotherhood on Lemuria and was an important symbol of the re-establishment of the organization. By hanging it within the Intiwasi, Manco officially established the connection of the Kumara to the Solar Brotherhood of Peru.

Later, after the Spanish invaded Peru, the Solar Disc was returned to the Temple of the Seven Rays for safekeeping where it remained until the Harmonic Convergence in 1987.

Which although was not covered by the New York Times was a major world event, that included the participation of literally hundreds of thousands of People worldwide.

## Amaru Mayo - The Holy Mother-Pacha Mamma

It is said that in 1987 a ceremony took place at the ancient temple site where upon the Earthly throne of the Kumara, represented by the Great Solar Disk of Aramu.

A young Native Woman was given the ancient scepter of the Aramu, signaling the shifting of energies back into the seat of the Goddess, Gaia, the Holy Mother, Pacha Mama, the Aramu Mayo, and the Queen of Angels.

This was also symbolic of the shifting of the planet through chaos of rebirth, back into balance of the Alpha and Omega. The serpentine energies of Pacha-Mama, and her daughters would once again regain their place of honor, and authority in the matrix of social awareness.

The consciousness of HU-manity would then be able to once again open to the awareness of the Mother of us all, and the mother within us all.

Today we see a lot of attention being played out in the final days by the Great Blind Patriarchy. All measures are taken to not discuss or allow to be discussed the *emergence of the feminine ray*, and the return of the Mother Goddess to political power as well as Spiritual power.

Besides the revealing of the bigger picture in Jesus-Sananda's life, and of his being here in the Americas, which comes along with the true understanding of the Solar Brotherhood; the matter of the Holy Mother may be the second most important issue that threatens the revealing of what is found at so many sites here in the Americas.

For near on 2.500 years this war against the Goddess, the Holy Mother, has been ongoing.

Presently, many await the ONE who will bring it forth and call the re-embodied Brotherhood and Sisterhood to Awaken and Unite for the Great Emergence of the Fifth Solar Cycle! The Inca await the return of the Aramu, while Mayans await the return of Quetzalcoatl, while many true believing Christians await the Second Coming of the *Christ*, Yeshua Ha Mashiakh - (*Jesus the Messiah*).

Isn't it funny all of them waiting for the same thing, thinking that each of them has a secret the other doesn't know.

The Spiritually Rich and very ancient Inca heritage, descendants of the gods, those who came from the stars, children of the Kamara, Aramu Muru, children of the Christos, Children of the Sun. It is also not a coincidence that the Prophecies of both the Maya, and the Inca are based upon the Venus Calendar!

The being known as Aramu Muru, is attributed with establishing many sacred sites that have been rediscovered today throughout the Incan Empire, Manco Kapac and the Kapac Cuna, members of the Solar Brotherhood from Lemuria, built megalithic temple complexes throughout Peru, such as Tihuanaco, Sacsayhuaman, Ollantaytambo, and Machu Picchu.

These sites and some of the ancient libraries they hold are being re-discovered as far north as the Rocky Mountains, and well into Canada.

These sites according to the Incan and Mayans were once paces of interaction between the Children of Earth, and visiting relations from the Stars, as well as members of a Galactic Brotherhood who interacted with our ancestors here on Earth as one can plainly evidence at the great landing strips of the NAZCA LINES in Peru.

We know today that the wisdom of these Solar Brotherhoods at least in part was passed down through the Royal lineages of Inca priest kings of Peru to other cultures here in the Americas who interacted with the ancient High Priests and Priestesses of the Aramu and their descendants.

A particular branch of these Kumara became known as the Viracocha, who were the hybrid children of the Aramu. They were said to be very tall, perhaps twice the size of a human of the 21<sup>st</sup> century; having reddish hair, and blue or green eyes. (This is documented in the journals of the Conquistadores).

Throughout their history, the emperors of the Viracocha were always associated with the serpent, and with possessing the knowledge of the Dragon Lords.

Some of these Priest Kings included the Quechuan name for serpent, Amaru (Aramu), within their royal titles, such as was the case with the last Inca Emperor Sayri Tupac Amaru, Sayri Tupac's father Manco Capac, who opposed submission to the Spanish Conquest was assassinated by Spanish Soldiers, who were revolting against Pizarro.

The young Sayri Tupac who was but 5 years old witnessed this act, and was taken off to be placed in a monastery. Tupac, was not of legendary height of his ancestors however he was tall for an Inca, and taller than most Spaniards. Sayri Tupac, was raised by the Church and fashioned into a perfect example of "a Good Inca."

In 1561 according to Spanish Journals that were kept by one of Pizarro's generals, one morning **Sayri Tupac Amaru** was found poisoned, at his temple, sitting in his throne.

There were no heirs therefore, unfortunately, Sayri Tupac, was the last of his line.

After his death, the Spanish killed what was left of his family, and any access to historical records was lost.

## Closure

There are many new discoveries being made at this time regarding the ancient records of the Inca, as well as the Maya, and those who came before them. Until as recently as the end of the twentieth century no one had any idea what it was they were finding. There was no direction, no references, and most of what was found was absconded by treasures hunters, and those who desired to keep the information under wraps, hidden from the public.

With God's Grace, the information, and no doubt priceless knowledge will be able to be shared with the world shortly, that the truth might set us free.

Some of the ancient texts found in the American Rockies.  
These were not supposed to be here also.  
Truth can be stranger than fiction.
