College Team Coaching staff meeting at 2018 USAG Collegiate Nationals

The **College Teams** featured in this brochure compete under NCAA competition rules, compete head to head with NCAA programs during meet season and in individual event finals at the USAG Collegiate National Championships. These College Teams are nationally ranked within the NCAA official ranking at www.roadtonationals.com. The main difference between NCAA teams and CollegeTeams in GymACT, these teams are **self-funded** and receive minimal or no financial support from their athletic departments. The College teams under GymACT therefore may also provide different / more opportunities as they do not have to be NCAA compliant.

You have worked very hard for many years to succeed in the sport you love so much. You are not finished yet!
