Membership Requirements

Palm Beach County Fire Rescue not only supports the Cadet Battalion, they allow them to wear the patch and bear their name. With this comes the responsibility for Cadets to act professionally, mature and worthy of being a part of this great department. Along with these things, Cadets must maintain these basic requirements:

- Age 14-19
(must be in the 9th -11th grade)
- Maintain a 2.5 GPA
- Adhere to all Palm Beach County Fire Rescue/Cadet Battalion policies
- Must attend membership meetings, community events and fundraisers

ABOUT US

The Palm Beach County Fire Rescue Cadet Battalion is chartered by the Florida Fire Chiefs' Association and sponsored by Palm Beach County Fire Rescue.

The Cadets focus their time on becoming well-rounded citizens of Palm Beach County while also gaining exposure to the fire service. Working under the direction of Palm Beach County Fire Rescue employees, teenagers are able to walk in the shoes of professional firefighters.

Being a 501(c)(3) corporation, our cadets are taught to give back to the community in which they live. The PBCFR Cadet Battalion is heavily involved in many firefighter supported charities such as...

Muscular Dystrophy Association Firefighter Chili Cookoffs

...as well as many other charity groups in the County. Cadets can earn community service hours along the way.

CadetWest is our newest venture and we are excited to get started in supporting our western communities. We have formed a partnership with West Technical Education Center where meetings will be held on Wednesday evenings.

HOW TO BECOME A CADET

Cadets take great pride in their organization, the fire department, their friends and family and themselves. If you would like to see first hand what we are all about please stop by for a visit.

WAYS TO HELP

Our funding comes from donations and dues provided by the Cadets themselves. We conduct several fundraising events throughout the year.

Donations and money collected during fundraising events help in many ways. Some of those benefits are:

- Travel expenses for the Cadets to compete in Firematics competitions throughout the State of Florida
- Safety equipment to include bunker gear, helmets, gloves, safety vests, safety glasses, etc.
- CPR Certification
- Sponsorships for Cadets attending fire and Emergency Medical Technician (EMT) school
