FREE SMALL BUSINESS WORKSHOP

Using Social Media to Promote Your Business

May 24, 2018

5:30-7:30 p.m.

First United Methodist Church of Pahokee
491 E. Main Street
Pahokee, FL 33476

Do you have a small business? Haven't bought into the social media craze? Guess what? Silence is no longer an option. People are online talking about your company as you read this, whether you like or not. If you don't engage in the conversation, you risk losing your customers. Join Rachelle Franklin, Interim Director of College Relations & Marketing at Palm Beach State College, in a discussion about how to get engaged, attract customers and grow your business.
