Dear Prospective Sponsor,

The mission of STAR Arts Education is to provide excellent arts programs to young people that are fun, engaging, and educational. Through positive experiences on stage, screen, and behind the scenes STAR Arts Education celebrates diverse communities and exposes young people to the joy of participating in the creative process.

Since it was founded in 1985, STAR has earned a reputation as one of the best programs available to youth interested in theatre and video arts. In our rich 30-year history, STAR has become an important summer tradition for many children and their families from year-to-year and, in some cases, generation-to-generation.

STAR is very proud to keep the performing arts alive and thriving in our community. STAR is funded through tuition fees, contributed revenue, and private and public grants. STAR also thrives because of in kind donations and volunteers. It is the altruistic support from contributors like you who understand the value of the arts in children's lives that enables STAR to create a safe place for children to express themselves creatively.

STAR Arts Education is a non-profit organization Federal Tax ID# 46-4515815. Donors may deduct contributions as provided in the provisions of Section Number 501(c)(3) of the Internal Revenue Code (Title 26, United States Tax Code.) For federal income taxation purposes, you will receive a thank you letter as proof of your charitable contribution. No goods or services will be provided to you as a result of your donation. As a thank you and acknowledgement of your generosity, all sponsors will be thanked on our website and in show programs.

Thank you for supporting STAR Arts Education.
