The Board of Directors believes that the use of tobacco products is neither necessary nor appropriate for children or teenagers.

In an effort to reinforce the teaching of the harmful effects of tobacco use and to provide a healthful working environment for employees, students, and the public, the Board of Directors directs that there be no tobacco use by anyone in school facilities, on school campus, and in or on any other school property owned, or operated by RAM Academy.

This policy further prohibits the use of all tobacco products by persons attending a school-sponsored event at a location not listed in this subsection when in the presence of students or school personnel or in an area where smoking is otherwise prohibited by law.
