REVISION NUMBER/DATE: N/A

The administration of tests required by applicable statutes and the use of student data for personnel/program decisions shall comply with the Testing Code of Ethics (16 NCAC 6D .0306), which is available at [Testing%20code%20of%20ethics.pdf](#).

In order to maintain the integrity of the North Carolina Testing Program, it is essential for school personnel to develop awareness of proper testing protocol and procedures. Knowledge of testing policies and procedures helps ensure the North Carolina Testing Program is conducted in a manner that is fair, consistent, and equitable for all students. Reaching All Minds Academy shall utilize information provided by the North Carolina Department of Public Instruction (NCDPI) to implement secure, uniform test administrations for the North Carolina Testing Program utilizing the most up to date testing security guide provided by the NCDPI.
